The Ghost at the Feast Robert Kagan,2024-01-16 A comprehensive sweeping history of America's rise to global superpower from the Spanish American War to World War II by the acclaimed author of *Dangerous Nation* With extraordinary range and research Robert Kagan has illuminated America's quest to reconcile its new power with its historical purpose in world order in the early twentieth century Dr Henry Kissinger At the dawn of the twentieth century the United States was one of the world's richest most populous most technologically advanced nations It was also a nation divided along numerous fault lines with conflicting aspirations and concerns pulling it in different directions And it was a nation unsure about the role it wanted to play in the world if any Americans were the beneficiaries of a global order they had no responsibility for maintaining Many preferred to avoid being drawn into what seemed an ever more competitive conflictual and militarized international environment However many also were eager to see the United States taking a share of international responsibility working with others to preserve peace and advance civilization The story of American foreign

policy in the first four decades of the twentieth century is about the effort to do both to adjust the nation to its new position without sacrificing the principles developed in the past as one contemporary put it This would prove a difficult task The collapse of British naval power combined with the rise of Germany and Japan suddenly placed the United States in a pivotal position American military power helped defeat Germany in the First World War and the peace that followed was significantly shaped by a U S president But Americans recoiled from their deep involvement in world affairs and for the next two decades they sat by as fascism and tyranny spread unchecked ultimately causing the liberal world order to fall apart America s resulting intervention in the Second World War marked the beginning of a new era for the United States and for the world Brilliant and insightful *The Ghost at the Feast* shows both the perils of American withdrawal from the world and the price of international responsibility *Virginia Ghosts* Marguerite du Pont Lee,2009-06 This collection of more than 100 ghost stories has entertained lovers of Virginia genealogy history and folklore for generations Mrs Marguerite du Pont Lee daughter of Eleuthere Irenee du Pont humanitarian and campaigner for women s rights was also a great student of psychic phenomena This interest in the unexplained led her to gather tales of ghosts and the paranormal from around her adopted state many of them dating back to the colonial period Charminglly written and illustrated throughout most of the tales like the encounter of Warner Taliaferro of Belle Ville in Gloucester County with the spirit of his neighbor Mrs Tabb on the night of her death deal with ghosts sited at the venerable homesteads that proliferate in Virginia Thus for example we have stories set at The Anchorage and Gunston Hall in the Alexandria area Federal Hill and Traveller s Rest near Fredericksburg Mount Airy and Woodlawn in the Tidewater Edgewood and Westover near Richmond Ash Lawn and Fairfield within the Piedmont Carter Hall and Elmwood in the Shenandoah Valley Ivanhoe and Ellerslie in Southside and still other tales from the Eastern Shore Southwest Virginia and West Virginia Many of the ghost stories of course concern early Virginians who materialize on the family trees of Virginia researchers *An Enchanted Ghost* Cassius Crisp,1900 ***The Moral Pirates and The Cruise of the "Ghost". [Tales.]*** William Livingston Alden,1881 ***The Ghost Ships of Archangel*** William Geroux,2020-05-12 An extraordinary story of survival and alliance during World War II the icy journey of four Allied ships crossing the Arctic to deliver much needed supplies to the Soviet war effort On the fourth of July 1942 four Allied ships traversing the Arctic split from their decimated convoy to head further north into the ice field of the North Pole They were seeking safety from Nazi bombers and U boats in the perilous white maze of ice floes growlers and giant bergs Despite the many risks of their chosen route the four vessels had a better chance of reaching their destination than the rest of the remains of convoy PQ 17 The convoy had started as a fleet of thirty five cargo ships carrying 1 billion worth of war supplies to the Soviet port of Archangel the only help Roosevelt and Churchill had extended to Joseph Stalin to maintain their fragile alliance against Germany At the most dangerous point of the voyage the ships had received a startling order to scatter and had quickly become easy prey for the Nazis The crews of the four ships focused on their mission U S Navy Ensign Howard Carraway aboard the SS Troubadour

was a farm boy from South Carolina and one of the many Americans for whom the convoy was a first taste of war from the Royal Navy Reserve Lt Leo Gradwell was given command of the HMT Ayrshire a British fishing trawler that had been converted into an antisubmarine vessel The twenty four hour Arctic daylight in midsummer gave them no respite from bombers or submarines and they all feared the giant German battleship Tirpitz nicknamed the Big Bad Wolf Icebergs were as dangerous as Nazis as the remnants of convoy PQ 17 tried to slip through the Arctic to deliver their cargo in one of the most dramatic escapes of World War II At Archangel they found a traumatized starving city and a disturbing preview of the Cold War ahead
