The Bubble in Me (Hiccup's Hiccups, #1) Dr. J. Alvarez, 2018-02-15 Tibby the Chubby Tiger meets a very fuzzy bumblebee Benny who can't fly and they end up forming a close friendship. They become a trio when they meet Hiccup the Hippo who spends a lot of time alone because she hiccups when she speaks. Instead of making fun of each other's flaws, the three friends support each other. In this circle of trust, Hiccup reveals her greatest secret which eventually entices them to go on an adventure. Unexpectedly, they meet a new friend, solve troubling problems, and at the end, they realize that although they may have thought of themselves as imperfect, each one of them has valuable gifts and strengths to share.

A Gift of Love Linda Della Donna, 2014-01-14 Like two chips in a cookie, Linda and Ed Schlier were rolling happily along in their marriage, only to have everything come undone when Ed was diagnosed with cancer. Less than a year later, he died, turning Linda's world upside down. In *A Gift of Love*, she narrates her grief journey, shares the highlights of the wonderful man she fell in love with, and describes the love they shared and tells about the woman she has become since her soul mate died. While tracing a golden thread of treasured memories, *A Gift of Love* shares the struggles of a dying man, his untimely death, and his widow's deepest sorrows. Telling the story of their lives and her sorrow with grace and honesty, Linda gives a step-by-step accounting of love, loss, and the celebration of her soul mate's end while marking her new beginning. More than fulfilling the promise she made to her husband on his deathbed to write his story, this memoir teaches life's valuable lesson: when you lose a spouse, life goes on and love does live forever. Most of all, it acts as a reminder that though life can change suddenly, each one of us possesses the power to decide to accept the unthinkable.

Breathless Cathy Donald, 2022-02-28 Donald experiences in the foreground the coming of an enemy that she learns to know as many other healthcare professionals still do through the eyes and lives of people who could not save themselves. As with many other healthcare professionals, she initially struggles to give this enemy a shape, a name, or some kind of way to find and defeat it. What really distinguishes her from the rest, however, is her ability to bring together her professional knowledge, her practical commitment, and her sense of responsibility within the pages of stories which cry out with one voice: a desperate need for life, whatever it may be. Donald's work wisely merges everyday situations, never free from their highs and lows, into a wider contemporary background which is now perceived more volatile than ever. Cathy Donald was born in Port Elizabeth, South Africa, in 1959. She has written for as long as she can remember: stories, scripts for plays and musical productions. She followed a career in Medicine and practised as a medical doctor in both rural and urban settings. During the Covid-19 pandemic, she has been involved on various fronts within her general practice in the hospitals and on a telephonic helpline. She has used her knowledge in this book but has also experienced first-hand both the anguish and the euphoria that healthcare workers go through over this time. She has written three novels over the past five years: *The Reluctant Cuckoo* (2016), *Miles to Go* (2018), and *The Silence of the Shadows*.
