*The Unforgettable Season* Gordon H. Fleming, 2006-03-01 One of *Sports Illustrated's* top 100 sports books of all time The 1908 National League pennant race was without question the most exciting and dramatic battle of all time Three teams the Giants the Cubs and the Pirates battled from start to finish concluding the season with just one game separating them in the standings The story of this race is like a Hall of Fame sprung to life including John McGraw Christy Mathewson Tinker to Evers to Chance Mordecai Three Finger Brown and Honus Wagner Yet the one name that truly stands out belongs to a young Giant rookie Fred Merkle His base running blunder in a key game between the Giants and the Cubs cost the New Yorkers the pennant through an entirely unforeseeable set of circumstances that set off a near riot in New York More than mere history *The Unforgettable Season* uses a judicious selection of newspaper stories to recreate the unforgettable season through the eyes and florid language of sportswriters of the day With no film TV or radio accounts of the game to cloud readers' minds with facts the newspaper writers had free reign to invent and embellish the larger than life figures and events

of 1908 It is their efforts that make this book often unintentionally hilarious and unforgettable *Giants Past & Present* Dan Fost,2013-04-15 Revised and updated to celebrate the San Francisco Giants latest World Series victory in 2012 *Giants Past Present* offers a unique look back at 130 years of one of baseball s most storied and successful franchises **Tinker to Evers to Chance** David Rapp,2018-04-02 A compelling narrative about three Chicago Cubs legends the rise of baseball fever and the emergence of a new America as the twentieth century began Booklist starred review Their names were chanted crowed and cursed Alone they were a shortstop a second baseman and a first baseman But together they were an unstoppable force Joe Tinker Johnny Evers and Frank Chance came together in rough and tumble early twentieth century Chicago and soon formed the defensive core of the most formidable team in big league baseball leading the Chicago Cubs to four National League pennants and two World Series championships from 1906 to 1910 At the same time baseball was transforming from small time diversion into a nationwide sensation Americans from all walks of life became infected with baseball fever a phenomenon of unprecedented enthusiasm and social impact The national pastime was coming of age Tinker to Evers to Chance examines this pivotal moment in American history when baseball became the game we know today Each man came from a different corner of the country and brought a distinctive local culture with him Evers from the Irish American hothouse of Troy New York Tinker from the urban parklands of Kansas City Missouri Chance from the verdant fields of California s Central Valley The stories of these early baseball stars shed unexpected light not only on the evolution of the game and the enthusiasm of its players and fans but also on the broader convulsions transforming the US into a confident new industrial society With them emerged a truly national culture This iconic trio helped baseball reinvent itself but their legend has largely been relegated to myths and barroom trivia David Rapp s engaging history resets the story and brings these men to life again enabling us to marvel anew at their feats on the diamond It s a rare look at one of baseball s first dynasties in action Winner Nonfiction Book of the Year Chicago Writer s Association Connects these baseball stories to larger cultural themes such as social and economic class the New York Chicago rivalry and the emerging media technologies during this period Highly recommended for baseball fans and those interested in early 20th century American history Library Journal New York Sports Stephen Norwood,2018-06-01 New York has long been both America s leading cultural center and its sports capital with far more championship teams intracity World Series and major prizefights than any other city Pro football s Greatest Game Ever Played took place in New York along with what was arguably history s most significant boxing match the 1938 title bout between Joe Louis and Max Schmeling As the nation s most crowded city basketball proved to be an ideal sport and for many years it was the site of the country s most prestigious college basketball tournament New York boasts storied stadiums arenas and gymnasiums and is the home of one of the world s two leading marathons as well as the Belmont Stakes the third event in horse racing s Triple Crown New York sportswriters also wield national influence and have done much to connect sports to larger social and cultural issues and the vitality and distinctiveness of New York s street

**More Than Merkle** David W. Anderson,2003-03-01 I have done a report of some kind on the Fred Merkle story whether in print on radio or on TV on or about its anniversary September 23 virtually every year since I was in college The saga has always seemed to me to be a microcosm not just of baseball nor of celebrity but of life The rules sometimes change while you're playing the game Those you trust to tell you the changes often don't bother to That for which history still mocks you would have gone unnoticed if you had done it a year or a month or a day before That's who Fred Merkle is I have often proposed September 23 as a national day of amnesty in Fred Merkle's memory Keith Olbermann from his foreword **California**

America, 1908 Jim Rasenberger, 2006-06-08 An entertaining survey Publishers Weekly through the highs and lows of a spectacular pivotal year in American history 1908 A captivating look at a bygone era through the lens of a single surprisingly momentous American year one century ago 1908 was the year Henry Ford launched the Model T the Wright Brothers proved to the world that they had mastered the art of flight Teddy Roosevelt decided to send American naval warships around the globe the Chicago Cubs won the World Series a feat they have never yet repeated and six automobiles set out on an incredible 20 000 mile race from New York City to Paris via the frozen Bering Strait A charming and knowledgeable guide Rasenberger takes readers back to a time of almost limitless optimism even in the face of enormous inequality an era when the majority of Americans believed that the future was bound to be better than the past that the world's worst problems would eventually be solved and that nothing at all was impossible As Thomas Edison succinctly said that year Anything everything is possible

*Take Me Out to the Ballgame* Jack Norworth, 2009-02-28 In this rendering of the beloved song Take Me Out to the Ballgame Jim Burke captures an exciting era of America's favorite pastime as well as the incredible story of one controversial contest that went down in the history books In 1908 the year the anthem was written one of the all time most memorable match ups in baseball history occurred when the New York Giants faced the reigning World Series champion Chicago Cubs with their greatest weapon Christy Mathewson the greatest pitcher in Giants history and America's first true sports superstar Filled with fan pleasing trivia and nostalgic paintings here is a remarkable orchestration that brings the sights sounds and smells of the ballpark a century ago vividly to life

*The Cultural Encyclopedia of Baseball, 2d ed.* Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
