Giants Reading Discovery:

Reading the Bible with Giants David Paul Parris, 2015-03-04 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two way dialogue between themselves and the text Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation However if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them Drawing on resources from Reception Theory the goal of Reading the Bible with the Giants is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us [The Giant and the Big Project: Early Reading Activities, Grade K](#) Linda
