A Gift of Hope Danielle Steel, 2012-10-30 In her powerful memoir *His Bright Light* 1 New York Times bestselling author Danielle Steel opened her heart to share the devastating story of the loss of her beloved son In *A Gift of Hope* she shows us how she transformed that pain into a campaign of service that enriched her life beyond what she could imagine For eleven years Danielle Steel took to the streets with a small team to help the homeless of San Francisco She worked anonymously visiting the cribs of the city's most vulnerable citizens under cover of darkness distributing food clothing bedding tools and toiletries She sought no publicity for her efforts and remained anonymous throughout Now she is speaking to bring attention to their plight In this unflinchingly honest and deeply moving memoir the famously private author speaks out publicly for the first time about her work among the most desperate members of our society She offers achingly acute portraits of the people she met along the way and issues a heartfelt call for more effective action to aid this vast deprived population Determined to supply the homeless with the basic necessities to keep them alive she ends up giving them something far more powerful a voice By turns candid and inspirational Danielle Steel's *A Gift of Hope* is a true act of advocacy and love

Here's Hoping Stuart McAlpine, 2023-03-13 Here s Hoping The title is tongue in cheek By saying here s hoping we usually fake hope because in reality we are not that hopeful It is spoken without much confidence or hope at all and betrays uncertainty We say it as we cast our wants and wishes without much conviction into the winds of fortune and the whims of the future but without any sense of a guarantee for the desired result Here s hoping speaks of longing that is not firing on all cylinders of a dream or desire that is likely to stay that way unrealized and unrequited When we say it we do not think cross my heart and hope to die That kind of vigorous assurance and commitment is not usually prompting the phrase It is less about crossing the heart and more about crossing the fingers It is less about surety and more about good luck To say here s hoping is to prepare oneself for potential disappointment Ironically it is more an expression of hopelessness than hope This book gives the reasons we can say Here s hoping with assured anticipation and confidence
