Edgar,2001-07-25 Miraculous Gifts is a discussion of spiritual gifts in light of the basic differences between cessationalism and Pentecostalism Many studies of this issue are written from a primarily theological perspective and while theological arguments are valid charismatics assert that this controversy concerns biblical gifts and miracles and is therefore a matter of faith to believe their claims with theological arguments proving unsatisfactory The fundamental question is Is this what the Bible discusses is it biblical Miraculous Gifts attempts to answer that question by providing a biblically based analysis of spiritual gifts in view of the charismatic controversy Angels Aid Sandra Rea,2016-12-09 A gentle introduction to meditation with the Angels to help promote calm balance and greater well being in your child If your child has a cut or a scrape you turn to your first aid kit Angels Aid is like a first aid kit for emotional upsets but it is also much more The meditations in this book will help your child to sleep better improve their concentration strengthen the immune system encourage healthy eating and help to bring about emotional balance by decreasing anxiety and promoting relaxation Through use of the guided meditations your child will also learn how to visualise expand creativity and follow simple instructions The beautifully scripted angel meditations are written in a way that you can easily read to your child and teach them to meditate even if you have never meditated before The book is laid out so that each chapter broaches an area of concern such as behavioural issues so that you can deal with challenging situations head on while also helping your child become more happy and healthy through the practice of meditation The Gift of an Angel Marianne Richmond,1997 For every child there is an
