Having found the owner of those eyes I know I have more work and a much higher purpose in life to fulfill It took a life threatening and frightening plane crash to make me see the truth my plane truth It s truly been a humbling experience and one I consider to be a gift and not a tragedy The hardest part was simply looking in the mirror and uncovering all my masks that I had thought were protecting me but in fact were keeping me from knowing my true self *Let Your True Self Shine* Nathalie Johnson,2019-03-29 If you ve ever lost sight of your dreams and hopes you re not alone Nathalie Johnson suffered through unthinkable trauma as a child before being forced into an impossible situation as a young bride but in this spiritual guidebook her life story becomes a message of hope At one low point Nathalie descended into a darkness she thought she would never emerge from Then she began to dream of angels and everything changed These vivid peaceful dreams left her marveling when she awoke Each subsequent dream continued where the previous left off with an ever expanding cast of angels and celestial beings The dreams washed over her with overpowering feeling of love warmth belonging and acceptance The experience was indescribable and working through it opened her soul to realize what she is meant to do work with angels In *Let Your True Self Shine* the author reveals what she s learned by interacting with angels offering a 222 hour plan broken into nine days of inspiration exercises and attainable goals for finding your way through the darkness and into the light *Other Voices, Other Places* John W.
