**The Gilded Web** J. R. Glover,2011-07-13 It is the spring of 1980 and Waynesville State University students Jeremy McCutchin and Rodney Blake have just spent two glorious weeks in Ft Lauderdale Florida They are returning to New York and to school when the unthinkable happens The two best friends one white and one black are nearing the end of their prescribed 600 miles per day driving limit when they feel the new 1980 black convertible hit something on the dark stretch of county road They investigate see nothing and decide the best course of action is to report the incident to the authorities In this small town of 595 people Jeremy and Rodney report the incident to Sheriff Relliford He tells them there is probably nothing to worry about but impounds their car for good measure But the sheriff is mistaken The boys are charged with vehicular homicide and must defend themselves in court In this time of racial turmoil in the United States Jeremy and Rodney fight for their freedom and come of age in a very difficult way

**Gilded** Karina Cooper,2012-12-26 In the gleaming heights of Victorian London a world of deception awaits an unconventional Society lady whose taste for adventure makes her a most formidable adversary Though Society demands that I make a good marriage I Cherry St Croix have neither the time nor the interest I am on the trail of a murder with no victim a mystery with no motive and the key to an alchemical formula that could be my family s legacy Yet the world is not so kind as to let me pursue simple murder and uncomplicated bounties Above the foggy drift an earl insists on my attention while my friends watch my increasingly desperate attempts to remain my own woman From the silken demands of the Midnight Menagerie to whose dangerously seductive ringmaster I owe a debt to the rigorous pressures of the peerage all are conspiring to place before me a choice that will forever change my life
