Giovanni Rovetta:

The Salmi Concertati (1626) of Giovanni Rovetta Anne-Marie Bergin, Giovanni Rovetta, 1967 **Honoring God and the City** Jonathan Glixon, 2003-03-27 This is the first detailed history of musical activities at Venetian lay confraternities Based on over two decades of research in Venetian archives the book traces musical practices from the origins of the earliest confraternities in the mid thirteenth century through their suppression under the French and Austrian governments of Venice in the early nineteenth century The first section of the book treats the scuole grandi the largest and most important of the Venetian confraternities and the only ones to maintain musical establishments for long periods The second portion of the book is concerned with the scuole piccole the numerous less important confraternities sometimes as many as 300 of which were active simultaneously located in churches throughout Venice Appendices include an attempt to reconstruct a calendar of musical events at all Venetian confraternities in the early eighteenth century demonstrating the vital role they played in the cultural and ceremonial life of this great city **Honoring God and the City** Jonathan Glixon, 2003 This is a history of musical activities at Venetian lay confraternities The book traces musical practices from the origins of the earliest confraternities in the mid 13th century through their suppression under the French and Austrian governments of Venice in the early 19th century **Masses by Gasparo Villani, Alessandro Grandi, Pietro Lappi, and Benivoglio Lev** Anne Schnoebelen, 2014-02-04 The purpose of this series is to provide a large repertory 17th century Italian sacred music in clear modern editions that are both practical and faithful to the original sources *Vesper and Compline Music for Two Principal Voices* Jeffrey Kurtzman, Anne Schnoebelen, 2013-10-18 This volume is part of a series of 25 full score volumes of 17th century Italian sacred music a repertoire that has largely been unavailable for study or performance It includes a comprehensive historical and biographical introduction focuses on composers significant in their own time and offers modern notation for contemporary performers **Greene's Biographical Encyclopedia of Composers** David Mason Greene, 1985

Monteverdi Richard Wistreich, 2017-07-05 Claudio Monteverdi is now recognized as the towering figure of a critical transitional moment of Western music history relentless innovator in every genre within chamber church and theatre music self proclaimed leader of a new dispensation between words and their musical expression perhaps even Creator of Modern Music During recent years as his arrestingly attractive music has been brought back to life in performance so too have some of the most outstanding musicologists focussed intensely on Monteverdi as they worked through the big questions in the historiography and hermeneutics of early Baroque music including musical representation of language compositional theory social institutional cultural and gender history performance practices and more The 17 articles in this volume have been selected by Richard Wistreich to exemplify the best scholarship in English and because each in retrospect turns out to have been a ground breaking contribution to one or more significant strands in Monteverdi studies **Vesper and Compline Music for Five Principal Voices, Part I** Jeffrey Kurtzman, 2013-05-13 This volume is part of a series of 25 full score

volumes of 17th century Italian sacred music a repertoire that has largely been unavailable for study or performance It includes a comprehensive historical and biographical introduction focuses on composers significant in their own time and offers modern notation for contemporary performers **The Cambridge Companion to Seventeenth-Century Opera** ,

Vesper and Compline Music for Multiple Choirs Jeffrey Kurtzman,2014-03-18 Classics of seventeenth century Italian sacred music set in modern notation this third part of *Vesper and Compline Music for Multiple Choirs* features works by Giacomo Giacobbi Viriglio Mazzochi Tarquinio Merula and Francesco Soriano *The Cambridge History of Seventeenth-Century Music* Tim Carter,John Butt,2005-12-22 The Cambridge History of Seventeenth Century Music seeks to provide the most up to date knowledge on seventeenth century music together with a vital questioning of the way in which such a history can be told or put together for our present purposes Written by a distinguished team of experts in the field the chapters not only address traditional areas of knowledge such as opera and church music but also look at the way this extremely diverse and dynamic musical world has been categorised in the past and how its products are viewed from various cultural points of view While this history does not depart entirely from the traditional study of musical works and their composers there is a strong emphasis on the institutions cultures and politics of the age together with an interrogation of the ways in which music related to contemporary arts sciences and beliefs **Studies in Italian Sacred and Instrumental**

Music in the 17th Century Stephen Bonta,2024-10-28 Stephen Bonta s research on seventeenth century Italian music particularly for strings spans more than 30 years Included in this selection of his published articles is his seminal study of the early history of the bass violin which proved to be the foundation for his subsequent articles on the early history of the violoncello In addition to the discussions of secular instrumental music the volume features essays that explore Italian sacred music of the period including Monteverdi s Marian Vespers *Vesper and Compline Music for Three Principal Voices* Jeffrey Kurtzman,2013-12-16 First Published in 1998 A New Series Fills a Void in 17th Century Italian Music Drawing on the riches of a largely unknown repertoire this innovative series makes available in modern score a large selection of Italian sacred music scored from printed part books that has never before been published in modern editions Conveniently organized and presented in modern score Each genre is organized for easy accessibility Mass settings are presented in chronological order *Vesper and compline music* is arranged according to the number of voices chronologically within each volume beginning with works for one and two voices and progressing to compositions for multiple choirs **The Birth of the Orchestra : History of an Institution, 1650-1815** Music History and Literature San Francisco Conservatory of Music John Spitzer Chair,Neal Zaslaw Professor of Music Cornell University,2005-08-05 This is the story of the orchestra from 16th century string bands to the classical orchestra of Haydn Mozart and Beethoven Spitzer and Zaslaw document orchestral organization instrumentation social roles repertoires and performance practices in Europe and the American colonies concluding around 1800 with the widespread awareness of the orchestra as a central institution in European life **Mirrors of Heaven or**

Worldly Theaters? Jonathan E. Glixon, 2017-08-15 *Mirrors of Heaven or Worldly Theaters Venetian Nunneries and Their Music* explores the dynamic role of music performance and patronage in the convents of Venice and its lagoon from the sixteenth century to the fall of Venice around 1800 Examining sacred music performed by the nuns themselves and by professional musicians they employed author Jonathan E Glixon considers the nuns as collective patrons of both musical performances by professionals in their external churches primarily for the annual feast of the patron saint a notable attraction for both Venetians and foreign visitors and of musical instruments namely organs and bells The book explores the rituals and accompanying music for the transitions in a nun's life most importantly the ceremonies through which she moved from the outside world to the cloister as well as liturgical music within the cloister performed by the nuns themselves from chant to simple polyphony and the rare occasions where more elaborate music can be documented Also considered are the teaching of music to both nuns and girls resident in convents as boarding students and entertainment musical and theatrical by and for the nuns *Mirrors of Heaven* the first large scale study of its kind contains richly detailed appendices featuring a calendar of musical events at Venetian nunneries details on nunnery organs lists of teachers and inventories of musical and ceremonial books both manuscript and printed A companion website supplements the book's musical examples with editions of complete musical works which are brought to life with accompanying audio files

The Cambridge Companion to Monteverdi John Whenham, Richard Wistreich, 2007-12-13 Claudio Monteverdi is one of the most important figures of early music a composer whose music speaks powerfully and directly to modern audiences This book first published in 2007 provides an authoritative treatment of Monteverdi and his music complementing Paolo Fabbri's standard biography of the composer Written by leading specialists in the field it is aimed at students performers and music lovers in general and adds significantly to our understanding of Monteverdi's music his life and the contexts in which he worked Chapters offering overviews of his output of sacred secular and dramatic music are complemented by intermedii in which contributors examine individual works or sections of works in detail The book draws extensively on Monteverdi's letters and includes a select discography videography and a complete list of Monteverdi's works together with an index of first lines and titles

The Early Baroque Era Curtis Price, 1993-11-09

The Birth of the Orchestra John Spitzer, Neal Zaslaw, 2004-04-29 This book traces the emergence of the orchestra from 16th century string bands to the classical orchestra of Haydn Mozart Beethoven and their contemporaries Ensembles of bowed stringed instruments several players per part plus continuo and wind instruments were organized in France in the mid 17th century and then in Rome at the end of the century The prestige of these ensembles and of the music and performing styles of their leaders Jean Baptiste Lully and Arcangelo Corelli caused them to be imitated elsewhere until by the late 18th century the orchestra had become a pan European phenomenon Spitzer and Zaslaw review previous accounts of these developments then proceed to a thoroughgoing documentation and discussion of orchestral organization instrumentation and social roles in France Italy Germany England and the American colonies They

also examine the emergence of orchestra musicians idiomatic music for orchestras orchestral performance practices and the awareness of the orchestra as a central institution in European life *Vesper and Compline Music for One Principal Voice*
