Does Terrorism Work? Richard English, 2019-02-21

Terrorism is one of the most significant security threats that we face in the twenty first century Not surprisingly there is now a plethora of books on the subject offering definitions of what terrorism is and proffering advice on what causes it and how states should react to it But one of the most important questions about terrorism has until now been left remarkably under scrutinized does it work Richard English now brings thirty years of professional expertise studying terrorism to the task of answering this complex and controversial question Focussing principally on four of the most significant terrorist organizations of the last fifty years al Qaida the Provisional IRA Hamas and ETA and using a wealth of interview material with former terrorists as well as those involved in counter terrorism he argues that we need a far more honest understanding of the degree to which terrorism actually works as well as a more nuanced insight into the precise ways in which it does so Only then can we begin to grapple more effectively with what has become one of the most challenging and eye catching issues of our time

Anti-american Terrorism: From Eisenhower To Trump - A Chronicle Of The Threat And Response: Volume Iii: The Clinton Administration Dennis A Pluchinsky, 2025-01-17 A major international security

concern that surfaced in the post World War II period was the emergence and evolution of international terrorism The dominant theme in the evolution of this threat has been anti American terrorism No other country has had its overseas interests subjected to the same level lethality diversity and geographic scope of international terrorist activity as the United States This five volume work chronicles the development of this threat through 12 U S presidential administrations over a 70 year period It assesses the terrorist threat in the U S and overseas and how the government responded The expansion of the field of terrorism in academia think tanks institutes and the private sector over this period is also addressed Volumes I and II covered the Eisenhower through to the George H W Bush administrations This volume documents the terrorist threat faced by the Clinton administration 1993 2000 and how it responded It was during this administration that Osama bin Laden and al Qaeda emerged as major terrorism actors and the planning and preparation for the September 11 2001 terrorist attacks took place The 1993 World Trade Center bombing 1993 Battle of Mogadishu 1995 Oklahoma City bombing 1996 Khobar Towers bombing 1998 bombings of the U S Embassies in Kenya and Tanzania and 2000 bombing of the USS Cole missile destroyer also occurred during this period Importantly this book is the first to address in detail a plan neglected by the media and suppressed by the U S government to kill President Clinton during a visit to Manila in November 1996 in which al Qaeda was suspected Executive orders presidential decision directives domestic legislation international treaties special

counterterrorism units terrorist renditions presidential findings public diplomacy and counterterrorism actions are also examined

Beyond al-Qaeda: Part 2, The Outer Rings of the Terrorist Universe Angel Rabasa, Peter Chalk, Kim Cragin, Sara A. Daly, Heather S. Gregg, 2002-10-14 Examines violent terrorist groups that while not formally allied with al Qaeda could pose a threat to Americans now or in the future and to the security of our friends and allies The authors show how terrorists use criminal organizations and connections to finance their activities and they identify distinct strategies to neutralize or mitigate these threats

Teaching Terror James JF Forest, 2006-05-11 In the world of terrorism knowledge is a critical asset Recent studies have revealed that among international terrorists there is a global sharing of ideas tactics strategies and lessons learned Teaching Terror examines this sharing of information in the terrorist world shaping our understanding of and response to the global threat of terrorism Chapters cover various aspects of individual and organizational learning some using a general level of analysis and others presenting case studies of individual terrorist groups These groups teach each other through a variety of means including training camps and the Internet Terrorist networks are also learning organizations drawing on situational awareness adapting their behavior and to give one example improving not just their use of improvised explosive devices but also rendering technology such as unmanned aerial vehicles and satellite phones ineffective This book provides a wealth of insights on the transfer of knowledge in the world of terrorism and offers policy implications for counterterrorism professionals scholars and policymakers

Proxy Wars from a Global Perspective Pawel Bernat, Cüneyt Gürer, Cyprian Aleksander Kozera, 2023-11-02 Proxy warfare is a growing international

phenomenon Although states have used proxies in armed conflicts for centuries evolving regional and global security architecture is now forcing states to radically change the way contemporary conflicts are fought Based on ten case studies this reassesses exactly how these changing global and systemic factors are shaping the ways in which states use non state actors as proxies in their armed conflicts Examining the use of proxy warfare worldwide focusing on the last decade s conflicts this volume brings together contributions from scholars of international relations and global security studies in order to explore cases of armed conflict of particular regional and global significance These include recent developments in the conflict in Israel and Palestine the Central African Republic Libya Mali Central Asia Syria Ukraine Nagorno Karabakh Brazil and Yemen By drawing on both theory and practise it offers a re evaluation of contemporary understanding of outsourced warfare with policy implications for how we understand and negotiate with states using proxy warfare in the future Palestinian Anti-Terrorism Act of 2006, May 15, 2006, 109-2 House Report No. 109-462, Part 2 ,2006 **Africa:**
