Scenes of Rural Life in Hampshire Among the Manors of Bramshott William Wolfe Capes, 1901 *A Handbook for Travellers in Surrey, Hampshire and the Isle of Wight*. With Map John Murray (Firm), 1865 *A Handbook for Travellers in Surrey, Hampshire and the Isle of Wight ... With Maps and Plans* John Murray (Firm), 1888 *Landed Estates and Rural Inequality in English History* Eric L. Jones, 2018-03-22 Based on a detailed investigation of local sources this book examines the history of the landed estate system in England since the mid seventeenth century Over recent centuries England was increasingly occupied by landed estates run by locally dominant and nationally influential owners Historically newcomers adopted the behaviour of existing landowners all of whom presided over a relatively impoverished mass of rural inhabitants Preferences for privacy and fine views led landowners to demolish or remove some whole villages Alongside extensive landscape remodelling rights of way were often privatised imposing a cost on the economy Social and environmental implications of the landed system as a whole are discussed and particular attention is paid to the nineteenth century investment of industrial profits in estates Why was the system so attractive and how was it perpetuated Matters of poverty and inequality have always been of perennial interest to scholars of many persuasions and to the educated public with this important book surveying environmental concerns in addition **A General History of Hampshire Or the County of Southampton Including the Isle of Wight: Southampton and Alresford, and the adjacent country.** By T. C. Wilks Bernard Bolingbroke Woodward, Theodore C. Wilks, Charles Lockhart, 1861 *The Eclectic Magazine of Foreign Literature, Science, and Art*, 1866 **A handbook for travellers in Surrey, Hampshire, and the Isle of Wight [by R.J. Littell's Living Age, 1866 **A History of Hampshire and the Isle of Wight** Herbert Arthur Doubleday, William Page, 1911 **A Dictionary of English Folklore**, 2003-10-09 Are there any legends about cats Is Cinderella an English story What is a Mumming Play The subject of folklore covers an extremely wide field with connections to virtually every aspect of life It ranges from the bizarre to the seemingly mundane Similarly folklore is as much a feature of the modern technological age as the ancient world of every part of the country both urban and rural and of every age group and occupation Containing 1 250 entries from dragons to Mother Goose May Day to Michaelmas this reference work is an absorbing and entertaining guide to English folklore Aimed at a broad general readership the dictionary provides an authoritative reference source on such legendary characters as The Sandman Jack the Giant Killer and Robin Hood and gives entertaining and informative explanations of a wide range of subjects in folklore from nosebleeds and wishbones to cats and hot cross buns From an exemplary clear and concise introduction to an admirably comprehensive yet selective bibliography but above all from more than 1 250 A Z entries in between it is good to know that Oxford University Press can still commission and publish new standard reference titles A welcome degree of scholarly rigour coverage is excellent the quality

of the entries is also outstanding It is all very readable concise and clear throughout another one of those reference works one can wish to read from cover to cover a huge amount of fascinating material in this clearly and attractively designed deceptively concise and reasonably priced volume It becomes at once a new standard reference book in its field As such it belongs in any reference collection in or about England and any collection dealing with folklore Library Review **Quarry and Surveyors' and Contractors' Journal** ,1916 **Housing in the South East** Great Britain: Parliament: House of Commons: South East Regional Committee,2010 The South East Plan contains an annual target for new homes that provides a benchmark which can be reviewed Sub regions will have their own targets that allow local circumstances to be taken into account but the regional overview is valuable to ensure consistency and to enable review of the regional target as a whole It is important that any review of housing targets in the South East takes into account the range of numbers put forward their underlying reasons and the consequences of not meeting any decided targets The economic downturn has meant that fewer homes are being built and there are concerns that the lack of infrastructure provision alongside housing development is stopping schemes from making progress The Committee recommends that the Government review the funding mechanisms currently available for this infrastructure It feels it is important that the Homes and Communities Agency is given the resources it needs in future years The Committee also acknowledges that while focusing development on brownfield land is important to stimulate regeneration there must be care that concentrating development in such areas does not have adverse effects such as using up urban land or valuable urban greenspace The Committee also recommends that greater attention be paid to alternative models for providing housing land that the region provides the right mix of homes and that the Government stick to its timetable for the Code for Sustainable Homes ensuring that all housing has a zero carbon rating by 2016 **A Treatise on the Law and Practice of Agricultural Tenancies** George Wingrove Cooke,1882 Proceedings ... Society of Antiquaries of Newcastle upon Tyne,1907 **The National Review** ,1929 Windermere & Grasmere in the Great War Ruth Mansergh,2017-04-30 Windermere and Grasmere in the Great War is an expert account of these Lake District towns fascinating contributions to the Great War effort from the outbreak of war in 1914 to the long awaited Allied victory in 1918 The book is designed to be accessible to all and for this reason it includes the history of the South Lakes area of Cumbria where the scarcity of visitors was felt during the Great War Interesting stories include Lake Windermere's setting as a watery runway rumors that a German airship was operating from a secret base near Grasmere the double life of Arthur Ransome and Cumberland Wrestling's postwar boom The book also takes a detailed look at the graduates of the Lakes Flying Company the Hardisty's VAD nurse Nellie Taylor the Baisbrowns the boatmen who sewed bags for sand the gunpowder carts Beatrix Potters opinions conscientious objectors landowners and gentry Cobby the horse railwaymen and prisoner of war Frederick Mallinson It acts as a reference guide to local war memorials and a chronological guide to Belgian refugees in south Lakeland whose homes included Ellerthwaite Lodge Windermere Calgarth Park auxiliary hospital Troutbeck Bridge

and the village of Finsthwaite St Martins next to the Old England Hotel Windermere has more memorials than any other church in Cumbria including the Cathedral Carlisle Overall this is a poignant testimony to the bravery self sacrifice and determination of the people of Windermere and Grasmere during the Great War who sought to find normality in a reality so far removed from anything they had ever known **International Review of the Science and Practice of Agriculture** ,1919 The Sphere ,1903 **Monthly Bulletin of Agriculture Intelligence and of Plant-diseases** International Institute of Agriculture.
