Hamsters Pet Guides:

Hamster David Alderton,2002 The Collins Family Pet Guide series are attractive colour illustrated guides that give all the practical advice necessary for raising healthy happy pets RSPCA Pet Guide - Care for Your Hamster RSPCA,2015-05-01 Published in association with the RSPCA the UK s leading animal welfare charity this practical family guide is full of expert advice on how to choose a hamster and how best to look after it If you already own or are planning to buy a hamster this easy to use introductory guide is a must Clearly illustrated with colour photographs throughout it covers all aspects of daily care including housing feeding handling hygiene exercise and first aid Published in association with the experts at the RSPCA this book will help you ensure that you are giving your hamster the best possible care Nibble's Guide to Caring for Your Hamster Anita Ganeri,2013-01-01 Provides simple information about caring for a hamster including feeding playing cleaning and taking it to the vet **The Hamster** Betsy Sikora Siino,1997-07-28 This is our sixth set of Happy Healthy Pet titles Like the others they are books pet owners can turn to for the essential information they need to raise a healthy pet All books contain information on feeding housing grooming health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets the emphasis remains on making the pet a companion In addition owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for their animals may be difficult to come by As always the instruction is from expert people who know their pet intimately but also remember what it was like to have one for the first time Happy Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from **Hamster Care** Steve Orlando,2019-08-12 This book is a complete and comprehensive guide that will teach you everything you need to know about your amazing hamster pet it will completely inform you on everything you should know about your hamster pet Hamsters are popular pets among children Even adults love hamsters Hamsters are rodents with a life span of two to three years They come in a wide range of colors They are also different breeds of hamsters GET YOUR COPY OF THIS BOOK TODAY Hamster Care Carrel Robin,2019-04-25 Hamsters are rodent like animals that have become popular pets for both children and adults They are basically small sized animals Hamsters are basically solitary pets so it s usually recommended to have them housed alone There are various breeds of hamsters Hamster owners should equip themselves with all the information they possibly can before actually acquiring one so that when they do they will be able to properly take care of them Hamsters make absolutely wonderful pets both for children and for adults They are easy to take care of and very active little creatures that will give their owners joy in taking care of them However when you do decide to take on a hamster as a pet you will need to be ready to take on the responsibility of cleaning their cages at least once a week and expending both the resources and the time in getting the right cage and the appropriate toys and accessories in order to keep them healthy and happy at all times **Hamsters: the Complete Hamster Care Guide** Craig Bartley,Blue Shift Publishing, LLC,2013-04-06 Hamsters are easy to care for and as

such they are ideal as beginner pets More often than not hamsters have fairly clean practices and are tame in disposition in view of the fact that they have a friendly nature However it should be noted that if the hamster is not accustomed to being held it will possibly hate being picked up and could bite the person who attempts to hold it Craig reveals what made his hamster enjoy a long and exciting life This book helps both adults and children and is written to make the process of hamster pet care as seamless and as easy as possible There are a number of different breeds of hamsters and becoming familiar with their characteristics and requirements will make it a great deal easier to choose the ones that are best suited for you If you want to keep your hamster around for a long time then this book is a must buy for your home library With everything from which hamster is the best to get to how to care for your pregnant hamster this guide is essential for any hamster pet owner

The Pet Owners Guide to Hamsters:Everything You Need To Know About Owning a Happy and Healthy Hamster Matthew Debanks, Hamsters have long been a favorite pet amongst owners These adorable creatures are known for their attractive appearance pleasant nature and high energy levels In this guide you will learn how to care for your hamster so that it lives a long and happy life You will also discover the tricks to bonding with your hamster so that you are able to handle him and enjoy a close level of connection with your pet Hamsters are warm blooded mammals that sleep during the day and are awake at night While there are many different types of hamsters only a few are kept as pets Unlike a mouse which is a popular alternative to the hamster it is has basically no tail Caring for Your Hamster Dalmatian Press,2005-01 Pet Care Guides so easy to follow the whole family will enjoy them Handy user friendly size Well written and informative Full colour photographs Time saving checklists and step by step procedures Troubleshooting tips throughout **Nibble's Guide to Caring for Your Hamster** Anita Ganeri,2014-11-01 Titles in the Pets Guides series teach young readers how to care responsibly for their chosen pet However in a unique spin each book is written from the point of view of one of the animals themselves thus also allowing the books to be used to teach perspective In this book Nibble the Hamster reveals how readers should go about choosing a pet hamster what supplies they will need how to make a new hamster feel at home and how to properly care for a pet hamster including feeding exercising and keeping a hamster cage clean Text in the book is accompanied by clear labeled photographs to further reinforce key concepts *How to Look After Your Hamster* David Alderton,2013 Owning even the smallest pet is a big responsibility but an enjoyable one This book presents a useful guide for young animal lovers on how best to care for their hamster It explains all you need to know about the different breeds that are available including long and short haired varieties and useful items to include in your hamster s home such as a drinking bottle and an exercise wheel **Hamster Care** Kate Liberty,2021-02-03 Discover the Easiest Way to Take Best Care of Your Pet Hamster With This Guide and Expert Advices Have you recently acquired a pet hamster or are you thinking about getting one Would you like to provide your new pet with the best care in the world If so then you are in the perfect place Hamsters are reasonably easy to care for and because of that they are an excellent choice for beginner pets You can find delight either

in watching these animals go about their daily housekeeping their adorable food storing tactics or cute exercising on their wheel They are friendly by nature and often have a tamed disposition and relatively clean practices Best of all they can be tamed similar to dogs or cats hamsters will acknowledge their owners presence in return for treats But if they are not handled properly then they may resent being held and possibly will bite If you want to avoid that you need to have a few tricks up your sleeve and that s precisely what this book is going to show you This book will serve as your complete guide to learning how to take care of your hamster as a pet From conditioning it s behavior and proper diet to keeping it in excellent health Here s what you can find in this hamster care guide Tips that every hamster owner needs to know How to properly take care of your hamster and solve common problems and illnesses Step by step guide for training your hamster How to equip a cage to hamster s maximum satisfaction Cleaning and maintenance tips and tricks Best diet plan for your hamster And much more If you want to provide the best care for your pet hamster everything you need to know to do that can be found in this book So what are you waiting for Scroll up click on Buy Now with 1 Click and Get Your Copy Now

Pet Owner's Guide to Hamsters Lorraine Hill,1997-10-01 Informative and practical here are five new titles from the leader in pet owner s guides Each guide is written by a top breeder or expert in their field ensuring that the information contained is accurate For the price consumers pay and the quality they receive in each Pet Owner s Guide book there is no other book that even comes close From basic grooming tips for your pet to addressing serious health and nutritional concerns these guides are a must for the serious pet lover

Guide to Owning a Hamster Anmarie Barrie,1996 Guide to Owning a Hamster offers informative easy to read text accompanied by illustrations

Taking Care of Your Hamster Helen Piers,1992-01-01 Discusses how to choose feed tame and take care of a pet hamster

How To Raise Hamsters HowExpert,Kate Boyd,2011-05-28 If you want to learn how to raise hamsters the right way then get the How To Raise Hamsters guide now This guide provides many helpful facts and tips about hamsters and it is all conveniently in one guide rather than having to search the internet and books for reliable information you can easily find out how to care for hamsters from this easy to read step by step book It provides

information on all the important parts of hamster care such as diet which is commonly something that many hamster owners are unsure of. Diet plays a large part in whether or not you will raise healthy hamsters so this is important to understand. It gives detailed information on how frequently vegetables and other foods should be fed and which hamster seed mixes are best. The type of sand to choose and the proper wheel size are other important aspects that hamster owners should be aware of. Many owners don't know of the dangers of having small wheels or of using sand sold for hamsters and chinchillas. Many other things you need to know if you're going to raise a hamster are included in this course from basic care to less known things like information on how to care for sick hamsters, information on wet tail, diabetes, and what antibiotics are toxic to hamsters. Many of these things are difficult to find accurate information on so it really is valuable. Often times you will find conflicting information on the internet which can be annoying and confusing to new owners. This guide will clear up any confusion. About the Expert: Kate Boyd has been keeping hamsters for seven years from Campbell's Russians to Winter Whites and Syrians. It all started when she was in a pet shop and saw two little Campbell's Russians and after getting them she did a lot of research in books and on the internet and still ended up doing things wrong due to bad information. In the last seven years people have learned so much more about keeping hamsters. After all they are relatively new pets when you consider that many domestic pets have been kept for centuries, even thousands of years, and hamsters have only been popularly kept as pets for less than seventy years. Since then she has gained a lot of knowledge and always has at least one hamster in her life. She has experience with keeping multiple groups and pairs of dwarf hamsters together successfully and loves to watch the group interaction and dynamics between them. She hopes her next hamsters will be two Chinese dwarves. She's had no experience in keeping them personally but read a lot of information about Chinese hamsters and she can't wait to finally have the pleasure of learning more about them directly. She currently lives in Jacksonville, Florida with her family and one Campbell's Russian named Sawyer. HowExpert publishes quick how-to guides on all topics from A to Z by everyday experts.

Hamsters Christina Mia Gardeski, 2019-05-01. What do hamsters eat? And why do they like to run on a wheel while you're asleep? Get to know pet hamsters with fun and informative questions and answers. *Hamsters* Anita Ganeri, 2009. This book takes a look at the growth and development of a hamster and discusses the care of a hamster. *Care for Your Hamster* Tina Hearne, 1983.
