Answers for ... Unmarried Mothers Emmy Gichinga, 1996 *Redeemed to the Utmost* Sijil Oommen, 2009-09 Redeemed to the Utmost is a simple logical philosophical book that addresses two important topics of Evil and Security of Salvation in a unique way Even though there are several books on these topics not many are written by a layperson It would not come as a surprise to know that many thinking laypersons have in their own way wrestled with such hard issues The book contains the insights and thoughts of a layperson who took a long and arduous journey to find the answers to difficult questions using the Word of God as the foundation To say that many difficult questions have been answered in a fresh and unique way is not an overstatement Hopefully this book will usher in a fresh debate and lead many Christians to return to the Reformation roots and make Salvation by Grace alone as the victory cry once again Sijil Oommen was born and raised in India in a non Christian culture giving him a unique perspective from which to formulate his views He moved to the United States ten years ago and is active among the large Indian Diaspora in the country being a board member of Galilee Ministries International a group involved in missionary work in India In 1998 he portrayed the leading character in an hour long

The Devil in the Back Pew Joe Kovalcik,2018-12-18 The Devil in the Back Pew is a simple manual bringing to light the need for and methods of personal spiritual warfare and deliverance The motivation for this book is rooted in the experience and observation of the author far too few understand the extent of the enemy s works or know how to deal with them if they do The devil is pursuing everyone and he does not give up Explained are the Biblical foundations of the dark spirit realm and how this can be discerned and dealt with The various types of enemy harassment are explored in depth and methods to overcome barriers to victory the prerequisites for success are discussed in detail Importantly these techniques are applicable to all types of dark spiritual incursions from simple temptation to significant demonization The many issues and topics relevant to effectively confronting the enemy are fully explored And Biblically sound solutions are offered Learn how to exercise your God given authority and drive the prince of darkness away

The Jesus Gamble Michael Rowles,2005-03-23 Why does God allow suffering Are all religious expressions equally valid Do evil spirits exist In The Jesus Gamble author Michael Rowles answers these and other questions in a systematic and readable style He applies sound logic without downplaying the reality of the supernatural world His main focus however is the person of Jesus Christ He demonstrates that many historical and contemporary beliefs about Jesus of Nazareth are simply implausible Instead following the trail of clues deliberately left by God Himself within the pages of the Bible he leads us to the inescapable conclusion as to who this man Jesus really was what he accomplished and what the implications of this discovery are The Jesus Gamble is for
