Handbook of Church Discipline Jay E. Adams, 2016-10-11 This is a handbook for pastors elders and all Christians who want to see how Scripture presents the process of discipline that should operate in the Christian community It was written in response to the various concerns that threaten to tear apart marriages families friendships and congregations concerns that call for a biblical approach to discipline that can heal fractures restore right relationship and ensure the health of the church Developed around the five corrective steps found especially in Matthew 18 15 17 this book helps church leaders deal with the sorts of problems that require the church s disciplinary response Charting a course that combines discernment with appropriate action this simple readable handbook can have a profound effect on the community of believers **God**

A Guide to Church Discipline J. Carl Laney, 2010-03-01 Fears of disunity conflict and even legal problems have caused many church leaders to avoid confronting Christians who are living in sin Challenging the church s reluctance Dr Laney provides a biblical practical and loving handbook for pastors and lay leaders alike on church discipline

Rogers, 2015-09-02 The cruelest thing we can do is to let people remain in their sin when there is liberty to be lived Ronnie W Rogers Pastor Ronnie Rogers superb volume on discipline has provided the most detailed study that to my knowledge has been written in recent years Dr Paige Patterson president of Southwestern Seminary Writing as a biblical theologian Ronnie Rogers establishes the foundation for church discipline But Ronnie writes also as an experienced pastor who has worked out the biblical teaching on church discipline in real life Dr C Richard Wells distinguished professor of pastoral theology The Criswell College Senior Pastor South Canyon Baptist Church Rapid City SD Its hypocrisy for a local church to claim to believe the Bible and then willingly ignore the Bibles teaching on church discipline Its refreshing to see a local church pastor like Ronnie Rogers cry out so clearly against the apathy and disobedience that prevails in most churches on this issue Dr Donald S Whitney associate professor of spiritual formation Midwestern Baptist Theological Seminary **Walking Together, Leader's Guide** Wyman Lewis Richardson, 2007-03-01 *Walking Together* A Congregational Reflection on Biblical Church Discipline is a study of the biblical concept of church discipline It seeks to show that church discipline rightly understood is a ministry of mercy and grace that will bless churches that return to it *Walking Together* reveals that church discipline was a ministry that was very important to earlier believers and that the modern church has abandoned it to her own detriment It is a clarion call for individuals and churches to come back to this vital but long neglected aspect of congregational and personal life By doing so churches can be healed and interpersonal relationships can be restored **Purge Out the Old Leaven** Hal

Brunson,2020-01-23 It is indeed strange that we should have to defend even go to extreme lengths to explain a doctrine that is both Biblical in origin and historic in practice yet church discipline is almost entirely forgotten in contemporary Christianity If a church advocates church discipline or worse excommunicates she will be labeled strict legalistic self righteous and judgmental Non Christians will scorn her as a madwoman out of touch with reality and out of touch with post modernity Anyone who mentions church discipline speaks in an unknown tongue to the modern church goer but the Bible teaches emphatically that churches must withdraw their fellowship and privileges of worship from every brother or sister who walks disorderly and put away from among themselves every member who refuses to repent of gross immorality schismatic words and actions or doctrinal heresy But does a local church possess legitimate and actual disciplinary authority over visitors guests friends of churches or even fellow pastors It does not rather a local church has actual disciplinary authority over its members only Unlike churches who practice Open Communion or Close Communion who do not know the doctrine and manner of life of their communicants and who therefore risk defiling the table and bringing judgment upon their congregations churches who fence the table more effectively protect the elements and guard the flock by endeavoring to ensure that each member of the local body is subjected to Christ His pastors and to one another

Kephart,2015-07-19 Excerpt from A Manual of Church Discipline of the United Brethren in Christ to Secure Uniformity of Administration in the Church Adapted to Discipline of 1893 The Christian church is a divine institution organized by the

authority of Jesus Christ He gave to his inspired apostles the command to preach the gospel to every creature and set in order whatever was necessary to complete the organization of the church What they did is just as authoritative as what they said While no form of church polity in detail is specifically given in the New Testament the foundation principles are laid down from which the necessary details may be deducted So far as these foundation principles are given all Christians should conform to them Concerning the less important matters not definitely prescribed in the Scriptures the church should be guided by the dictates of reason and expediency Great care should be exercised so as not to incorporate in the details of church polity any principle that in any way will conflict with the foundation principles laid down in the New Testament The word church is generally understood to mean a congregation of faithful men in which the true word of God is preached and the sacraments duly administered according to Christ s ordinances in those things that of necessity are requisite to the same Organization and concert of action are essential to success both in church and state Organization necessarily implies some fundamental principles which form the basis of government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
