## **Liberties With Liberty:**

**Liberties with Liberty** Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, Rh Value Publishing, 1989-01-01     Liberties with Liberty Nancy Jo Fox, 1986 This book is really a gallery of illustrations from cartoons to intricate paintings that tell the story of the Statue of Liberty     Free for All Wendy Kaminer, 2002-09-15 A lawyer social critic and columnist at The American Prospect Wendy Kaminer has said that she likes to think words have power but knows they don't cast spells She argues with her readers and expects them to argue back Her taste for liberty her legal training wit and innate contrarianism help her elude the usual political labels and inform her writings on censorship feminism pop psychology religion criminal justice and a range of rights and liberties at issue in the culture wars In this new collection Kaminer has her sights set on the fate of civil liberties in America Opening with a powerful overview of liberty's tenuous hold on this land of the free Kaminer offers incisive original investigations of political freedom in our frightened post September 11 world and reviews perennial threats to sexual and religious liberty free speech privacy and the right to be free from unwarranted unprincipled prosecutions     **The Fate of Liberty** Mark E. Neely Jr., 1992-08-20 If Abraham Lincoln was known as the Great Emancipator he was also the only president to suspend the writ of habeas corpus Indeed Lincoln's record on the Constitution and individual rights has fueled a century of debate from charges that Democrats were singled out for harassment to Gore Vidal's depiction of Lincoln as an absolute dictator Now in the Pulitzer Prize winning *The Fate of Liberty* one of America's leading authorities on Lincoln wades straight into this controversy showing just who was jailed and why even as he explores the whole range of Lincoln's constitutional policies Mark Neely depicts Lincoln's suspension of habeas corpus as a well intentioned attempt to deal with a floodtide of unforeseen events the threat to Washington as Maryland flirted with secession disintegrating public order in the border states corruption among military contractors the occupation of hostile Confederate territory contraband trade with the South and the outcry against the first draft in U S history Drawing on letters from prisoners records of military courts and federal prisons memoirs and federal archives he paints a vivid picture of how Lincoln responded to these problems how his policies were actually executed and the virulent political debates that followed Lincoln emerges from this account with this legendary statesmanship intact mindful of political realities and prone to temper the sentences of military courts concerned not with persecuting his opponents but with prosecuting the war efficiently In addition Neely explores the abuses of power under the regime of martial law the routine torture of suspected deserters widespread antisemitism among Union generals and officials the common practice of seizing civilian hostages He finds that though the system of military justice was flawed it suffered less from merciless zeal or political partisanship than from inefficiency and the friction and complexities of modern war Informed by a deep understanding of a unique period in American history this incisive book takes a comprehensive look at the issues of civil liberties during Lincoln's administration placing them firmly in the political context of the time Written with keen insight and an intimate grasp of the original sources

The Fate of Liberty offers a vivid picture of the crises and chaos of a nation at war with itself changing our understanding of this president and his most controversial policies      Freedom, Liberty and the Pursuit of Happiness! Adrienne Kleinschmidt, 2017-06-28 This coloring book celebrates the 4th of July It is about Freedom and all the brave people women men and children who gave up their rights to protect those of others Janis Joplin once said Freedom s just another word for nothing else to lose I hope not Liberty it s a curious word People take liberties and they want liberties Yet who decides what those liberties are The definition of liberty is this The state of being free within society from oppressive restrictions imposed by authority on one s way of life behavior or political views As Americans and human beings on this planet of ours it appears we need to stand up for our freedoms and liberties once more The Pursuit of Happiness and everything it entails is our most important pursuit      **Our Ancient Liberties** Leon Whipple, 1927      **The Shoe Workers' Journal** , 1903      The Story of Civil Liberty in the United States Leon Whipple, 1970      **The International Bookbinder** , 1905      **Notes and Queries** , 1927      **The Union Boot and Shoe Worker** , 1905      *Political Philosophy* Dudley Knowles, 2006-04-21 This comprehensive introduction to the major thinkers and topics in political philosophy explores the philosophical traditions which continue to inform our political judgements Dudley Knowles introduces the ideas of key political thinkers including Hobbes Locke Marx and Mill and influential contemporary thinkers such as Berlin Rawls and Nozick He outlines central problems in political philosophy and encourages the reader to critically engage with all the issues discussed The individual chapters discuss and analyse utilitarianism liberty rights justice obligation democracy Political Philosophy is ideally suited to students taking introductory courses in political theory and philosophy      *A History of Canadian Legal Thought* R. C. B. Risk, Osgoode Society for Canadian Legal History, 2006-01-01 This volume in the Osgoode Society s distinguished series on the history of Canadian law is a collection of the principal essays of Professor Emeritus R C B Risk one of the pioneers of Canadian legal history and for many years regarded as its foremost authority on the history of Canadian legal thought Frank Scott Bora Laskin W P M Kennedy John Willis and Edward Blake are among the better known figures whose thinking and writing about law are featured in this collection But this compilation of the most important essays by a pioneer in Canadian legal history brings to light many other lesser known figures as well whose writings covered a wide range of topics from estoppel to the British North America Act to the purpose of legal education Written over more than two decades and covering the immediate post Confederation period to the 1960s these essays reveal a distinctive Canadian tradition of thinking about the nature and functions of law one which Risk clearly takes pride in and urges us to celebrate      **The Century Dictionary and Cyclopedia: The Century dictionary, prepared under the superintendence of William Dwight Whitney; rev. & enl. under the superintendence of Benjamin E. Smith** , 1914      **Gospel Herald** , 1909      The Later Works of John Dewey, Volume 11, 1925 - 1953 John Dewey, 2008 This volume includes ninety two items from 1935 1936 and 1937 including Dewey s 1935 Page Barbour Lectures at the University of Virginia published as Liberalism and Social Action In essay after

essay Dewey analyzed criticized and reevaluated liberalism When his controversial *Liberalism and Social Action* appeared asking whether it was still possible to be a liberal Horace M Kallen wrote that Dewey restates in the language and under the conditions of his times what Jefferson's Declaration of Independence affirmed in the language and under the conditions of his The diverse nature of the writings belies their underlying unity some are technical philosophy other philosophical articles shade into social and political themes social and political issues permeate the educational articles which in turn involve Dewey's philosophical ideas

*Modern Theories of Justice* Serge-Christophe Kolm, 2002 This first book in English by Serge Christophe Kolm provides an overview of his far reaching vision of distributive justice Kolm derives justice from considerations of rationality Justice cannot be defined by one all encompassing principle or set of a few principles It has the general form of an equality of individuals liberties in a broad sense with different applications and specific adjustments when several liberties conflict or when everybody prefers another outcome Kolm describes the theory of justice and presents and evaluates each of the various modern theories principles or criteria of justice He shows how some complement each other how some are unworkable and how some could be rescued The result is an intensive introduction to the general theory of justice for economists and noneconomists alike

*Almanac of American Military History* Spencer C. Tucker, 2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type *Almanac of American Military History* is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography
