Liberty Bible Commentary Jerry Falwell,1983      *Liberty Bible Commentary, New Testament* Jerry Falwell,Edward E. Hindson,Woodrow Michael Kroll,Liberty Baptist College,1982      **Liberty Bible Commentary** Jerry Falwell,Edward E. Hindson,Woodrow Michael Kroll,1982      *Liberty Bible Commentary on the New Testament* Liberty Baptist College,Jerry Falwell,Edward E. Hindson,Woodrow Michael Kroll,1978      *Liberty Bible Commentary* Jerry Falwell,1983-11-01      **End Times Fiction** Gary DeMar,2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society      **Odyssey of Grace** Cy Mersereau,2020-07-15 In the Odyssey of Grace series Cy Mersereau invites you to join him as he travels through the twenty seven books of the New Testament In this series each book of the New Testament is summarized with special consideration given to topics of common and sometimes controversial interest The journey begins with the coming of Christ in the four Gospels then threads its way through the epistles and ends with Revelation where time dissolves into the eternal state Along the way the reader will encounter adventure history theology advice for practical Christian living and become acquainted with some of the more fascinating personalities of the early church The author of each book has his own style his own emphasis and his own story that is part of the larger story of Jesus Christ and the redemption he purchased for us on Calvary two thousand years ago Some of the topics covered here include Prophetical insights from believers of various backgrounds on the book of Revelation The hotly contested miracle of Jesus turning water into wine Judas his betrayal of Christ and how and when he died A discussion of the book of Philemon to address the question of whether the Bible promotes slavery A comprehensive look into why the Gospel of Mark has so many endings and which is the right one Join in on the conversation as Cy discusses these questions and so many more      **Prophets for Our Time** Jarl K. Waggoner,2009-10-01 The books of Obadiah and Jonah can be read in just ten minutes Yet these two books written nearly three thousand years ago by two very different Hebrew prophets address attitudes and actions that we struggle with even today The valuable lessons the ancient writers have for people of the twenty first century truly make them prophets for our time Prophets for Our Time strikes a balance between scholarly study and practical exposition to bring these two prophetic books alive for modern readers The result is a practical readable book that clearly explains the meaning of the biblical text Maps charts and suggestions for personal application and further study enhance the value of the book making it a very useful tool for personal and group study      **The Theory of Creation** Jim Schicatano,2001-10 Can the Biblical account of creation

be reconciled with current scientific beliefs For over a century the Holy Bible s story of creation has come under considerable scrutiny and derision by the scientific community The length of creation days the Biblical order of creation and man s origin have all been the subjects of heated debates debates that cast further doubts on Biblical accuracy But is such derision warranted The Theory of Creation boldly answers that very question Rather than denounce other theories or repudiate accepted scientific beliefs this is a comprehensive and objective analysis of the first story of the Bible Genesis 1 1 2 4 Each verse is carefully examined for its scientific meaning the original Hebrew text is often referenced popular theories are explored and the purpose and implications of God s actions are addressed Finally the Biblical account of creation is compared to the scientific record In this era of moral relativism when Biblical values are condemned and the sanctity of the Holy Bible is often ridiculed validation of the creation story would be a source of inspiration for believers everywhere In The Theory of Creation Jim Schicatano answers the enduring questions of science and resolves the Biblical Creation debate

AIDS and American Apocalypticism Thomas Lawrence Long, 2012-02-01 Since public discourse about AIDS began in 1981 it has characterized AIDS as an apocalyptic plague a punishment for sin and a sign of the end of the world Christian fundamentalists had already configured the gay male population most visibly affected by AIDS as apocalyptic signifiers or signs of the end times Their discourse grew out of a centuries old American apocalypticism that included images of crisis destruction and ultimate renewal In this book Thomas L Long examines the ways in which gay and AIDS activists artists writers scientists and journalists appropriated this apocalyptic rhetoric in order to mobilize attention to the medical crisis prevent the spread of the disease and treat the HIV infected Using the analytical tools of literary analysis cultural studies performance theory and social semiotics AIDS and American Apocalypticism examines many kinds of discourse including fiction drama performance art demonstration graphics and brochures biomedical publications and journalism and shows that while initially useful the effects of apocalyptic rhetoric in the long term are dangerous Among the important figures in AIDS activism and the arts discussed are David Drake Tim Miller Sarah Schulman and Tony Kushner as well as the organizations ACT UP and Lesbian Avengers

**Vocabularies of Public Life** Robert Wuthnow, 2022-11-30 First published in 1992 Vocabularies of Public Life explores the revolution that has taken place in our understanding of contemporary culture and decodes a number of the symbols which now dominate public life Wuthnow divides the essays collected here into three distinct vocabularies Part I examines the ways in which religious and scientific languages function as vocabularies of conviction in public life Part II focuses on music and art as vocabularies of expression and Part III considers law ideology and public policy as vocabularies of persuasion The contributors discuss such diverse subjects as American spiritualism the syntax of modern dance and the social contexts of number one songs What unifies the book is the common concern with the concrete everyday manifestations of culture and the importance of understanding its basic structure This book will be of interest to specialists and scholars of various disciplines such as linguistics literature media studies popular culture and

sociology     **The Randy Rabbit of Israel** Ivan Secret,2012-01-05 The Randy Rabbit of Israel explores the issue of erotic sexual love as revealed in the Bible in particular as found in the book of The Song of Solomon Many would say the Bible is silent on these issues yet if we take a careful look at the real meaning of the words given to us then we find that not too much is left to the imagination The commentary is more than a passage on the history of one of Israel s kings and looks into the passionate love King Solomon has for one of the girls he meets as he is about his business of being the king The book is actually a love story preserved for us so we might learn to be a better lover with our own married partner Through the trials we might face as a married couple God has provided for us the means of having a bit of fun through sex not only in the missionary position but also other ways as well Many of us may have wondered whether certain positions are OK or whether too much fun may somehow not be allowed As we follow the pathway our two lovers take in the Song of Solomon we may end up being quite surprised at the level of freedom we actually have So come on the journey with King Solomon and the young girl he has fallen in love with and discover for yourself the many ways we can pleasure our married partner in those special times     *The Road to True Discipleship* Rob Pohlman,2016-02-09 Over the last twenty five years God has been preparing Rob Pohlman for presenting this book to the Christians of this age Rob shows us what we have been programmed to believe by the world and how this differs from the will of God for us He shows us in detail the realities of Gods kingdom and our place in it as mature disciples of Christ who are able to contribute to the glory of God right here on this earth and prepares us for the kingdom to come Join him on the journey toward spiritual maturity that God so deeply desires for us to display and enjoy It will not be an easy journey but it will prove to be well worth the effort and life changing in every aspect of your life
