

MARITAL RAPE: THE LICENSED RAPE

Marital Rape: The Licensed Rape

It's been 77 years of Independence but still the women of our country are not safe and are not truly free and independent. Rape is the most morally and physically reprehensible crime in society, as it is an assault on the body, mind, privacy, dignity and self-respect of a woman. When it occurs in

her matrimonial home it makes woman to be treated as an object which is used for sexual enjoyment. Relation between husband and wife should be known as the safest and strong relationship and treated as a sacrament. So that husband and wife make each other lives better. But marriage has now become a license to rape.

Indian Legislation on Rape:

Section 375 of IPC (Indian Penal Code) deals with the rape. However, exception 2 of section 375 exempts a person can have sexual activity with his wife, without her consent, if the wife isn't under the age of eighteen. The age of consent was 15 before the judgment of Independent Thought vs. Union of India in 2017. After this case, the Supreme Court of India extended it to the age of 18 years.

Licensed To Rape

William B. Warner

Licensed To Rape:

Pornography on the Internet United States. Congress. Senate. Committee on the Judiciary, 2008 *Sex Crimes*

Ronald Barri Flowers, 2006 This book provides an examination of sexual criminality its nature characteristics dimensions and ramifications in American society The book is addressing both recognized and little known sex crimes the magnitude of such crimes sex offenders and victims theories on sexual criminality and sex criminals and the criminal justice system

Technical Note, 1905 Artistic License Darren Hudson Hick, 2017-04-26 The art scene today is one of appropriation

of remixing reusing and recombining the works of other artists From the musical mash ups of Girl Talk to the pop culture borrowings of Damien Hirst and Jeff Koons it s clear that the artistic landscape is shifting which leads to some tricky legal and philosophical questions In this up to date thorough and accessible analysis of the right to copyright Darren Hudson Hick works to reconcile the growing practice of artistic appropriation with innovative views of artists rights both legal and moral Engaging with long standing debates about the nature of originality authorship and artists rights Hick examines the philosophical challenges presented by the role of intellectual property in the artworld and vice versa Using real life examples of artists who have incorporated copyrighted works into their art he explores issues of artistic creation and the nature of infringement as they are informed by analytical aesthetics and legal and critical theory Ultimately Artistic License provides a critical and systematic analysis of the key philosophical issues that underlie copyright policy rethinking the relationship between artist artwork and the law *Practicing Linguistics Without a License* Gregory Matoesian, Kristin Enola

Gilbert, 2023-05-22 This book analyzes the complex interplay between gesture speech and other modal resources e g gaze facial expression motion during the presentation of evidence and interpretation of testimony in court By analyzing recordings of a well known rape trial the authors reveal how multimodal oratory contributes to forensic linguistics and gesture studies and how it helps understand recent policy recommendations for reforming the rape trial *Licensing Entertainment* William

B. Warner, 1998-09-10 Novels have been a respectable component of culture for so long that it is difficult for twentieth century observers to grasp the unease produced by novel reading in the eighteenth century William Warner shows how the earliest novels in Britain published in small format print media provoked early instances of the modern anxiety about the effects of new media on consumers Warner uncovers a buried and neglected history of the way in which the idea of the novel was shaped in response to a newly vigorous market in popular narratives In order to rein in the sexy and egotistical novel of amorous intrigue novelists and critics redefined the novel as morally respectable largely masculine in authorship national in character realistic in its claims and finally literary Warner considers early novelists in their role as entertainers and media workers and shows how the short erotic plot driven novels written by Behn Manley and Haywood came to be absorbed and overwritten by the popular novels of Defoe Richardson and Fielding Considering these novels as entertainment as well as literature Warner traces a different story one that redefines the terms within which the British novel is to be understood and

replaces the literary history of the rise of the novel with a more inclusive cultural history Directory California.
