Pacific Automobilism Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West s media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car s status character

Protestant

Aesthetics and the Arts Sarah Covington, Kathryn Reklis, 2020-01-27 The Reformation was one of the defining cultural turning points in Western history even if there is a longstanding stereotype that Protestants did away with art and material culture Rather than reject art and aestheticism Protestants developed their own aesthetic values which Protestant Aesthetics and the Arts addresses as it identifies and explains the link between theological aesthetics and the arts within a Protestant framework across five hundred years of history Featuring essays from an international gathering of leading experts working across a diverse set of disciplines Protestant Aesthetics and the Arts is the first study of its kind containing essays that address Protestantism and the fine arts visual art music literature and architecture and historical and contemporary Protestant theological perspectives on the subject of beauty and imagination Contributors challenge accepted preconceptions relating to the boundaries of theological aesthetics and religiously determined art disrupt traditional understandings of periodization and disciplinarity and seek to open rich avenues for new fields of research Building on renewed interest in Protestantism in the study of religion and modernity and the return to aesthetics in Christian theological inquiry this volume will be of significant interest to scholars of Theology Aesthetics Art and Architectural History Literary Criticism and Religious History

John Updike's Human Comedy Brian Keener, 2005 The comedy in John Updike's most important works *The Centaur* *Rabbit Run* *Rabbit Redux* *Rabbit Is Rich* *Rabbit at Rest* and *Rabbit Remembered* defines a comic world and its morality Although critics have failed to recognize the extent and the importance of Updike's comedy his serious fiction does contain a good deal of farce burlesque and irony that far from being peripheral or mere comic relief depicts the absurd and contradictory nature of life Within such a world set in the everyday Pennsylvania of the second half of the twentieth century human beings mature or gain Kierkegaard's ethical sphere by fulfilling their societal and generational responsibilities George Caldwell of *The Centaur* is Updike's paragon while *Rabbit* embodies the comic hero who through trial and error finally matures Overall through an analysis of Updike's comedy this book reveals a dimension of his fiction that is essential to understanding his work
