We Are Spirit Grayce Dian Comerford, Kenneth J Comerford, 2015-09-28 We Are Spirit is a work of spiritual insight based on conversations between Ken Comerford and his departed wife Grayce Dian who began communicating with him telepathically shortly after she passed away in 2012 Ken stepped outside of his apartment and glanced up at the stars overhead on a clear Colorado evening He spoke to Dian about this date being their fifty fifth anniversary and told her how much he still loved her and how terribly he missed her Although he had sensed her presence many times since her passing he was surprised when Dian spoke back to him Dian s revelations form the inspiration for this wide ranging philosophical work that discusses why we are here on earth and what lies ahead for each of us in the many lives that we are to share and experience together in the future

The Journey Home Leigh La Mura, 2012-05-25 Since I was a child Ive been communicating with the angelic realm Theyve revealed their presence in many ways warning me through dreams of events to come and guiding my footsteps along the way As I grew older I learned that I could tune in to their frequency allowing me to receive their messages more clearly Their presence led me on a journey to self discovery allowing me to recognize and break repetitive and harmful patterns to trust in myself again and to discover my souls purpose as a healer It is a story of inner strength and faith and as I continue on my journey I know that I am not alone and that the angels walk with me

Because of You, I Am Mary Ann Bumbera, 2014-02-28 Because of You I Am is an exploration into the nature of the spiritual world With courage insight and humor Mary Ann Bumbera reveals a deeper unseen reality that we are all part of but rarely consider Faced with the illness of her dog Charlie Mary Ann races to understand the nature of death Is death really the end Is this all there is Do we have a spirit Over time while Charlie s illness worsens Mary Ann discovers that there is far more to our existence than just the physical body whether animal or human She shares and celebrates her discoveries with readers affirming that death is not the end for any being Stepping into unfamiliar territory Mary Ann ventures into the ancient practice of Shamanism energy healing and animal communication which deepens her relationship with Charlie She swims with humpback whales and dolphins and experiences a profound connection Through her search she utterly transforms her understanding of Charlie herself and the nature of reality including both death and life She concludes nature in all its forms has a spirit or consciousness that is intelligent benevolent and loving and that is not extinguished following the death of the physical body The ideas in Because of You I Am will linger long after you finish it You will come away with a deeper connection to your spiritual self to others in your life and to animals whether they are beloved pets or those found in nature And you will have a better understanding of the mysterious power of love that transcends death

**Heavenly Visits** Betty Jane Rapin, 2016-08-18 After death reuniting in heaven with our deceased loved ones is a belief readily accepted by many religions However it is possible to have a get together with our dearly beloved in the here and now by dreams or other means Some dispute this possibility However in this book forty ordinary people share their personal experiences These accounts of

visits and messages from loved ones human and pets are proof that this is a possibility for anyone even the strongest nonbeliever In her book Betty discusses the death of two husbands how she experienced the different stages of grief what she did to get her through it and what she learned that made a major difference in the grieving process with her second husband She explains the many ways the departed can make contact and how you can sharpen your observation skills to recognize the often subtle heavenly visits and messages Soul Mentoring David Robinson,2015-06-22 Soul Mentoring draws upon the wisdom of Gregory the Great 540 604 from his Pastoral Care one of the most widely read books on mentoring from the ancient world Those who walk in Gregory s steps will discover practical guidance for the journey into mentoring including the formation of a mentor s soul and wisdom in learning to care for others Gregory describes mentoring as the art of arts the highest creative endeavor we share together Gregory has ancient wisdom applicable to mentoring in our time both for mentors and mentees friends and family coaches and teachers clergy and spiritual directors among other people looking for guidance in the ancient art of caring for souls **Care Through Touch** Mary Ann Finch,1999-01-10 Most statements about embodied spirituality have been cerebral and abstract presented from a theological or philosophical point of view This massage manual seeks to give the reader an experience of embodied spirituality The introduction situates massage the art of anointing within the framework of Christian spirituality and then proceeds to en flesh that through the meditative quality of the massage sequences through the graphic and sensitive portrayal of vulnerability among the various men and women who volunteered to be the models in the sequences and last but not least through the visible devotion of the massage therapists
