**ROBERT
OWEN**

Life And Ideas Of Robert Owen

Chris Jennings

Life And Ideas Of Robert Owen:

The Life and Ideas of Robert Owen A. L. Morton,1963 The Life and Ideas of Robert Owen Arthur Leslie Morton,1978

The Life and ideas of Robert Owen Arthur L. Morton,1969 Robert Owen and the Owenites in Britain and America

John Harrison,2009-11-26 Robert Owen and the Owenites were associated with the rise of an early industrial society in Britain and with the development of an agricultural frontier society in the United States during the first half of the nineteenth century This book originally published in 1969 was the first to use both British and American source material and tells the story of Robert Owen and the movement associated with his name from the standpoint of comparative social and intellectual history The book directs new light on Owenism and at the same time illuminates general problems of the history of social movements and social change in modern societies **The Life, Times, and Labours of Robert Owen** Lloyd Jones,1890

The Life of Robert Owen G. D. H. Cole,2018-12-07 First published in 1925 Robert Owen was in the author s words that rarest of phenomena an utterly disinterested critic of a system by which he had himself risen to greatness and in studying his life this work reveals with a remarkable clarity the first phases of the Industrial Revolution crowded as it was with events changes ideas and characters This title will be of great interest to scholars and students of labour history The Life of

Robert Owen Written by Himself Robert Owen,1857 The Life of Robert Owen ; Written by Himself ; With Selections from His Writings and Correspondance Robert Owen,1857 **The Life, Times & Labours of Robert Owen** ,1890 **The**

Selected Works of Robert Owen Vol I Gregory Claeys,2021-02-25 Robert Owen 1771 1858 was the founder of British socialism and one of the most influential reformers in Britain and America in the first half of the 19th century This book contains all Owen s key writings on the ideal community socialism religion and the capitalist economic system *Life of*

Robert Owen Frederick Adolphus Packard,1866 **Paradise Now** Chris Jennings,2016-01-12 For readers of Jill Lepore Joseph J Ellis and Tony Horwitz comes a lively thought provoking intellectual history of the golden age of American utopianism and the bold revolutionary and eccentric visions for the future put forward by five of history s most influential utopian movements In the wake of the Enlightenment and the onset of industrialism a generation of dreamers took it upon themselves to confront the messiness and injustice of a rapidly changing world To our eyes the utopian communities that took root in America in the nineteenth century may seem ambitious to the point of delusion but they attracted members willing to dedicate their lives to creating a new social order and to asking the bold question What should the future look like In *Paradise Now* Chris Jennings tells the story of five interrelated utopian movements revealing their relevance both to their time and to our own Here is Mother Ann Lee the prophet of the Shakers who grew up in newly industrialized Manchester England and would come to build a quiet but fierce religious tradition on the opposite side of the Atlantic Even as the society she founded spread across the United States the Welsh industrialist Robert Owen came to the Indiana frontier to build an egalitarian rationalist utopia he called the New Moral World A decade later followers of the French visionary Charles Fourier

blanketed America with colonies devoted to inaugurating a new millennium of pleasure and fraternity Meanwhile the French radical tienne Cabet sailed to Texas with hopes of establishing a communist paradise dedicated to ideals that would be echoed in the next century And in New York s Oneida Community a brilliant Vermonter named John Humphrey Noyes set about creating a new society in which the human spirit could finally be perfected in the image of God Over time these movements fell apart and the national mood that had inspired them was drowned out by the dream of westward expansion and the waking nightmare of the Civil War Their most galvanizing ideas however lived on and their audacity has influenced countless political movements since Their stories remain an inspiration for everyone who seeks to build a better world for all who ask What should the future look like Praise for Paradise Now Uncommonly smart and beautifully written a triumph of scholarship and narration five stand alone community studies and a coherent often spellbinding history of the United States during its tumultuous first half century Although never less than evenhanded and sometimes deliciously wry Jennings writes with obvious affection for his subjects To read Paradise Now is to be dazzled humbled and occasionally flabbergasted by the amount of energy and talent sacrificed at utopia s altar The New York Times Book Review Writing an impartial respectful account of these philanthropies and follies is no small task but Mr Jennings largely pulls it off with insight and aplomb Indulgently sympathetic to the utopian impulse in general he tells a good story His explanations of the various reformist credos are patient thought provoking and entertaining The Wall Street Journal As a tour guide Jennings is thoughtful engaging and witty in the right doses He makes the subject his own with fresh eyes and a crisp narrative rich with detail In the end Jennings writes the communards disregard for the world as it exists sealed their fate But in revisiting their stories he makes a compelling case that our present day deficit of imagination could be similarly fated San Francisco Chronicle

The Death of Humanity Richard Weikart,2016-04-04 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country Robert Owen, Prophet of the Poor Sidney Pollard,John Salt,1971 Why has Robert Owen continued to occupy the attention of historians in the twentieth century What changing significance has been seen in his work What was his relationship with the great social and political movements of his age To what extent was the Owenite message of importance outside Great Britain These and other questions are taken up in this study

The Rabbi's Atheist Daughter Bonnie S. Anderson,2017 The first modern biography of one of the nineteenth century s most prominent radical activists written by an acclaimed senior feminist historian

Greed, Lust and Gender Nancy Folbre,2009-10-22 This book dramatizes the history of self interest by describing a centuries long debate over greed lust and appropriate gender roles in terms that ordinary readers will enjoy Ranging from the 18th century to the present it offers a deft and engaging critique of economic history and the history of ideas from a feminist perspective

Political Ideas of the Utopian Socialists Keith Taylor,2013-11-26 First Published in 1982 In this book Taylor has selected for special attention the work of Saint Simon and his disciples the SaintSimonians Owen Fourier Cabet and Weitling those thinkers who made the

most important contributions to the development of early socialist theory The author discusses the designation of utopian which entered into the conventional vocabulary of the history of ideas and is now used almost without question This title argues that these thinkers were certainly utopian in the sense that they sought to describe the structure of an ideal future society

The 'Natural Leaders' and their World Jonathan Jeffrey Wright, 2013-01-03 This book is a richly detailed exploration of the complex and cosmopolitan urban culture inhabited by the Presbyterian elite of late Georgian Belfast which will prove to be of interest to a wide range of scholars working on the political cultural and intellectual histories of both Ireland and Britain during the age of reform

The Life of Robert Owen Robert Owen, 1858

Leading Change James O'Toole, 1996-04-02 An important new book Mr O Toole puts soul and values squarely back into a vital topic leadership Tom Peters The New York Times Book Review A deeply philosophical and eminently practical study of leadership as change James MacGregor Burns Pulitzer Prize and National Book Award winner and author of *Leadership* Current management philosophy advocates an outmoded Machiavellian approach to running organizations Leaders are told in countless books that they can only accomplish their goals by being tough manipulative dictatorial or paternalistic as the situation requires In *Leading Change* noted management theorist James O Toole proposes a provocative new vision of leadership in the business world a vision of leadership rooted in moral values and a consistent display of respect for all followers As O Toole brilliantly demonstrates values based leadership is not only fair and just it is also highly effective in today's complex organizations When leaders truly believe that their prime goal is the welfare of their followers they get results The finest leaders from political giants like Washington Jefferson and Lincoln to contemporary CEOs like Max De Pree and James Houghton have always shared leadership with their followers They create organizations that encourage change and self reevaluation they foster an atmosphere of open mindedness and fresh thinking in which assumptions can be challenged and goals reassessed Grounded in the ideas of moral philosophy *Leading Change* powerfully transcends the standard how to management primer to define a challenging new approach to leadership As O Toole so persuasively argues growth and change are possible indeed necessary and they will be effected by individuals who have the stature and the courage to lead morally This important book at once thought provoking and totally practical is bound to take its place as one of the landmark business volumes of our times Jim O Toole has written the essential work for organizations to survive and thrive in today's changing world His intellectually penetrating thinking shows us how the sometimes conflicting problems we wrestle with often in piecemeal fashion fit together to form a complete picture even as the picture itself continues to change His message is so critical to the very existence of every organization that any leader who fails to heed his advice condemns his or her company to mediocrity and or early death It's that basic Warren Bennis Professor and founding chairman of the Leadership Institute at the University of Southern California Author of *An Invented Life* and *Why Leaders Can't Lead*

The Top Books of the Year Life And Ideas Of Robert Owen The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Life And Ideas Of Robert Owen : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Life And Ideas Of Robert Owen : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
