Life Here and Hereafter Swami Rama,1983 *The Living Church* ,1955 **The Quest** ,1912 **Luminescence, Volume 2** C. K. Barrett,Fred Barrett,2017-08-09 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the Northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like While the first volume presented sermons on the Gospels and Acts this second volume covers the rest of the New Testament and extensive portions of the Old Testament **Here and Beyond** Hugh Smith Carpenter,1859 **An exposition upon the second Epistle generall of saint Peter** Andrew Symson (lexicographer.),1632 **Dictionary of National Biography** Leslie Stephen,Sir Sidney Lee,1908 **Writings of Swami Atulananda** Swami Atulananda, Writings of Swami Atulananda is a compilation of selected articles written by Swami Atulananda and published in Prabuddha Bharata the monthly magazine of the Ramakrishna Order In this book readers will be able to get a glimpse of Swami Atulananda s insightful mind as he shares his ideas on various spiritual topics These topics are extremely useful both for spiritual aspirants as well as the beginners who are curious to know about spiritual life Published by Advaita Ashrama a publication house of Ramakrishna Math Belur Math India *Heaven, Hell, and the Afterlife* J. Harold Ellens,2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study **Pro Rege** Abraham Kuyper,2016-07-13

Abraham Kuyper wrote *Pro Rege* to bridge the divide between believers lives inside and outside the church He believed that a healthy view of Jesus kingship was essential to closing that gap In this first volume Kuyper discusses how Satan s kingdom opposes undermines and obscures Christ s kingship He then lays out the kingship of Christ according to Scripture From his vantage point at the dawn of the 20th century Kuyper explains the scope of Christ s dominion over all of life in his own culture yet does so in a way that also strikingly impacts the 21st century reader This new translation of *Pro Rege* created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper s most important writings The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church s development of public theology
