The Life and Times of Charles II. Christopher Falkus, 1972 The Merry Monarch was the most popular of kings in his lifetime and has remained so to posterity This biography seeks to show why and indicates that the secret lay not so much in the positive achievements of his reign as in the essentially human qualities which set him apart from other sovereigns But Charles of course was more than a witty tolerant urbane man he was a ruler of three kingdoms England Scotland and Ireland who reigned at a time of crisis in the affairs of his war torn lands In youth he knew the bitterness of defeat and exile In manhood he had to maintain ceaseless opposition to contending factions. The result was a lifetime crowded with struggle and conflict in which against all odds he triumphed to preside over a society whose creative achievements in all fields science literature music and art are almost unparalleled in English history Life and Times of Charles II Christopher Falkus, 2000-06 The Life and Times of Charles II Christopher Falkus, Antonia Fraser, 1995-01-01 A definitive series on the monarchs who changed English history Charles II Antonia Fraser,1993-01-01 The story of King Charles II is one of enduring fascination The golden childhood of the boy Prince in the Van Dyck pictures gave way to an adventurous youth in Civil War England and abroad ending traumatically when his father was executed in 1649 Charles II King at eighteen succeeded to nothing but the name After his valiant attempt to regain the throne was defeated by Cromwell at Worcester the King made his epic escape to years of exile poverty and humiliation in Europe The miraculous Restoration ushered in a reign coloured by a series of equally dramatic events the Great Plague the Fire of London two Dutch Wars the bizarre Popish Plot and finally the efforts of the Whigs to exclude his Catholic brother James from the succession culminating in the King s unexpected triumph over them at the Oxford Parliament of 1681 A lover of women passionate planner of parks and palaces and friend of the arts this was the man who was to overcome the many problems of his reign and die not only in control of his country but in the affection of his countrymen In this meticulously researched biography Antonia Fraser offers important judgements and reassessments on central questions of the reign such as Charles's relationships his attitude to Kingship his patriotism and his religious beliefs Above all she has succeeded in writing a totally compelling narrative both moving and exciting and showing all the skills and insights which have secured her place as one of the foremost biographers of our time A rich feast of instruction drama and entertainment TLS The fullest and most sophisticated account of the most charming and approachable of English Kings OBSERVER The Life and Times of Charles II ,1972 Ravenous: A Life of Barbara Villiers, Charles II's Most Infamous Mistress Andrea Zuvich, 2024-09-30 Barbara Villiers was a woman so beautiful so magnetic and so sexually attractive that she captured the hearts of many in Stuart era Britain Her beauty is legendary she became the muse of artists such as Peter Lely the inspiration of writers such as John Dryden and the lover of John Churchill the future great military leader whom we also know as the 1st Duke of Marlborough Her greatest amorous conquest was King Charles II King of England Scotland and Ireland with whom she had a tempestuous and passionate relationship for the

better part of a decade But this loveliest of Stuart era ladies had a dark side She hurt and humiliated her husband Roger Palmer for decades with her unashamedly adulterous lifestyle she plotted the ruin of her enemies constantly gambled away vast sums of money is remembered for the destruction of the Tudor era Nonsuch Palace and was known to unleash terrible rages when crossed Crassly lampooned by John Wilmot 2nd Earl of Rochester and subjected to verbal and written assaults she was physically abused by a later violent spouse Barbara lived through some of the most turbulent times in British history civil war the Great Plague of London which saw the deaths of around 100 000 people the Great Fire of London which destroyed much of the medieval city and foreign conflicts such as the Anglo Dutch Wars the Williamite wars and the War of the Spanish Succession An impoverished aristocrat who rose to become a wealthy countess and then a duchess taking her lovers from all walks of life Barbara laughed at the morals of her time and used her natural talents and her ruthless determination to the material benefit of herself and her numerous offspring In great stately homes and castles such as Hampton Court Palace her portraits are widely seen and appreciated even today She had an insatiable appetite for life love riches amusement and power She was simply ravenous The Biography Book Daniel S.
