A Demon-Haunted Land Monica Black, 2020-11-17 This account of German citizens swept up in a wave of supernatural obsessions after WWII and the Holocaust is an engrossing story from beginning to end Booklist In the aftermath of World War II in Germany a messianic faith healer rose to extraordinary fame prayer groups performed exorcisms and enormous crowds traveled to witness apparitions of the Virgin Mary Most strikingly scores of people accused their neighbors of witchcraft and found themselves in turn hauled into court on charges of defamation assault and even murder What linked these events in the wake of an annihilationist war and the Holocaust was a widespread preoccupation with evil While many histories emphasize Germany s rapid transition from genocidal dictatorship to liberal democracy A Demon Haunted Land places in full view the toxic mistrust profound bitterness and spiritual malaise that unfolded alongside the economic miracle

Drawing on previously unpublished archival materials acclaimed historian Monica Black argues that the surge of supernatural obsessions stemmed from the unspoken guilt and shame of a nation remarkably silent about what was euphemistically called the most recent past This shadow history irrevocably changes our view of postwar Germany revealing the country's fraught emotional life and deep moral disquiet and the cost of trying to bury a horrific legacy How do societies that commit monstrous atrocities recover from them Chock full of colorful anecdotes and charismatic figures A Demon Haunted Land not only offers a brilliant rethinking of postwar German history but also asks us to see the irrational as an integral part of modernity Boston Review Absorbing gripping and utterly fascinating Beautifully written without even a hint of jargon or pretension Richard J Evans The New Republic Vivid character sketches and keen psychological insights enrich impressive historical research Publishers Weekly Readers interested in German and Cold War history and cultural studies of religious and supernatural beliefs will find much to enjoy Library Journal [The Collection](#) Bruce Weiss,2010-08 Henry White of Hampton Academy a New England prep school refuses to return South American artifacts that the Andean community of Cruz Orjo consider stolen **The Missing Piece of the Puzzle** Bruce Weiss,2012-10 In The Missing Piece of the Puzzle two men are running out of time to have their dreams come true Max Duncan hopes to become an accomplished author but he cannot find a good story to write Sala Walker has a sea trunk filled with historical materials that have never been made public but he cannot write Neither man can achieve success on his own until a curious letter brings them together Each man will learn that he holds the key to the other's success The Missing Piece of the Puzzle is a story of international intrigue a terrifying skyjacking incident travel to a forbidden place a hurricane with disastrous effects a debilitating disease that affects one of the men and even a frightening and unexpected encounter with one of the men's wives This is a fast paced compelling novel that brings a questionable incident in American history the explosion and the sinking of the battleship The Maine in 1898 into the twenty first century **Young Hitler** Paul Ham,2018-06-05 When Adolf Hitler went to war in 1914 he was just twenty five years old It was a time he would later call the most stupendous experience of my life That war ended with Hitler in a hospital bed temporarily blinded by mustard gas The world he eventually opened his newly healed eyes to was new and it was terrible Germany had been defeated the Kaiser had fled and the army had been resolutely humbled By peeling back the layers of Hitler's childhood his war record and his early political career Paul Ham seeks the man behind the myth More broadly Ham asks the question Was Hitler's rise to power an extreme example of a recurring type of demagogue a politician who will do and say anything to seize power who thrives on chaos and who personifies in his words and in his actions the darkest prejudices of humankind [Native Daughter](#) Bruce Weiss,2006-09 Molly Claire's sudden debilitating headaches and nightmares begin to take toll during the mass construction of a large housing track As Molly Claire struggles with these painful episodes psychiatrist Dr Jonathan Clarke begins to uncover the frightening relation between the two events **Hitler's Spy Princess** Martha Schad,2012-05-30 Hold on to this letter so
