Ghost Towns Alive Trips To New Mexicos Past:

Ghost Towns Alive Linda G. Harris,2003-10-15 Author Linda G Harris and photographer Pamela Porter have divided the state into eleven regions comprising seventy ghost towns from the Santa Fe Trail and Colfax County in the north to the boot heel in the south

New Mexico Ghost Towns Donna Blake Birchell,2022-02-07 Promises of riches from gold silver copper and zinc ores attracted thousands of treasure seekers to the Land of Enchantment Boomtowns blossomed across the rugged wilderness until the trifecta of the Silver Panic of 1893 World War I and the Great Depression collapsed the economy Explore the vacant relics of once vibrant communities Some are well preserved and others are but a whisper of their former selves but all have a story to tell From the lessons still scrawled across the chalkboards of the abandoned Cedarvale School to the forgotten talismans of the Turquoise Trail accompany author Donna Blake Birchell on her trek through the ghost towns of New Mexico

The Great Call-Up Charles H. Harris,Louis R. Sadler,2015-01-20 On June 18 1916 President Woodrow Wilson called up virtually the entire army National Guard some 150 000 men to meet an armed threat to the United States border raids covertly sponsored by a Mexican government in the throes of revolution The Great Call Up tells for the first time the complete story of this unprecedented deployment and its significance in the history of the National Guard World War I and U S Mexico relations Often confused with the regular army operation against Pancho Villa and overshadowed by the U S entry into World War I the great call up is finally given due treatment here by two premier authorities on the history of the Southwest border Marshaling evidence drawn from newspapers state archives reports to Congress and War Department documents Charles H Harris III and Louis R Sadler trace the call up s state based deployment from San Antonio and Corpus Christi along the Texas and Arizona borders to California Along the way they tell the story of this mass mobilization by examining each unit as it was called up by state considering its composition missions and internal politics Through this period of intensive training the Guard became a truly cohesive national then international force Some units would even go directly from U S border service to the battlefields of World War I France remaining overseas until 1919 Balancing sweeping change over time with a keen eye for detail The Great Call Up unveils a little known yet vital chapter in American military history

New Mexico Magazine ,1963 *Ghost Towns and Mining Camps of New Mexico* James E. Sherman,Barbara H. Sherman,1975-01-01 Given in memory of Ethel A Tsutsui Ph D and Minoru Tsutsui Ph D

Traveling Blind Susan Krieger,2010 TRAVELING BLIND is a deeply reflective description of coming to terms with lack of sight It reveals the invisible work of navigating with a guide dog while learning to perceive the world in new ways The author travels with Teela her lively golden dog through airports city streets and Southwest desert landscapes exploring these surroundings with changed sight
