residents it was a bustling place Today South Pass lies abandoned and desolate with less than seven residents living year round Read about Annabelle Stark of St Elmo Colorado a local who still is believed to haunt the hotel Olive Oatman was captured by Indians near Gila Bend Arizona and held in captivity for years before her brother found her This is a handy guide of rags to riches stories and silent hardships The ghost towns depicted appeal to travelers archeologists artists historians anthropologists and individuals from all walks of life Ghost Towns of the American West Raymond Bial, 2001-02-26 If it is

abandoned by all or most of its inhabitants a settlement becomes a ghost town The buildings and dirt streets may remain but the character and soul of the place change entirely And so it was with mining camps lumber camps and cowboy towns scattered across America particularly in the West places with names like Gregory's Diggings Deadwood Bodie Calico Goldfield and Tombstone some of the over 30 000 deserted towns in the United States Why did people come to these isolated places Why did they leave As Raymond Bial's narrative explores the history of our ghost towns his well composed photographs silently tell their stories of bustling muddy streets of large mercantile stores and ultimately of short lived dreams of gold fertile land or simply a good place to call home Colorado's Best Ghost Towns Kenneth Christian Jessen, 2011-06-28
