Nevada has more than a thousand of these boom and bust towns. Some are completely abandoned while some still struggle to survive and even serve as county seats. Sadly, these wonderful places, including those covered in this volume, are constantly in danger from vandalism and neglect. Many ghost towns and mining camps have been destroyed or damaged needlessly, and those who are captivated by their charm must protect these windows into history so that they survive for future generations. Includes photos. Few folks know as much about Nevada ghost towns as author Shawn Hall. Nevada Appeal.
