Ghosts Of Kilrush:

Ghosts of Kilrush Book II Joe Alfred Riley, 2010-06-28 Ireland Co Clare I wrote this book Ghosts of Kilrush to tell the story of a young boy who to all sense and purposes was abandoned by his father left in Kilrush on the West Coast of Ireland with total strangers Joe Riley never saw his father again for 12 years until he returned unannounced one day he was a total stranger to me The book was written to thank the family who cared for me and to the memory of all those beautiful people in the town People who helped shape my character and my life for better or for worse I have over the years looked back to try to answer the question why was I left in Kilrush and separated from my real family This is a question that has haunted me throughout the years of my life and I have never really found an answer and maybe there is no answer it just happened I have received countless letters and e mails asking what happened to Joe Riley when he left Ireland In an attempt to answer this question I have re written the book Within the original book I have weaved what happened since I was sixteen years of age in the chapters of the old Ghosts of Kilrush It is an attempt if only briefly to answer where I went and basically what happened to me over the years If you have not read the Ghosts of Kilrush please do so it is a snapshot of those days It tells of how people lived in those harsh days people who cared for each other simple people who laughed and cried together These people lived on a daily basis in the beliefs of Faith Hope Love and Charity they practiced these virtues each and every day Their lives were simple but their belief in the Lord God almighty ruled their way of life from birth to the grave These were the values that I was brought up with I was surrounded by genuine people whose lives were simple but it was these very people who laid the foundation for later generations who left Ireland to travel to countries all around the world These are the foundations that I received from the people of Kilrush I was brought up by a religious woman and a very wise man My Uncle Andrew He taught me that a man is what his values are My thanks cannot be expressed in words the love and affection I have for My Aunt May and Uncle Andrew Deloughery Gratitude is what is in your heart and values that take you through your life how do you say thanks in words In the early years of my life I tried too hard to become a man of success how misguided was I and at what cost As you read through the pages of the book you will realise that in my latter years I have strived to become a man of value As the years churn on I am so lucky to have known so many people that it is so hard to say goodbye to **Ghosts of Kilrush** Joe Riley, 2003-10 Ghosts of Kilrush is the heartfelt memoir of a young English boy abandoned by his father in small town in western Ireland who was raised as a beloved son by an Irish family who treated him as their own Riley takes a look back as he affectionately recalls the many colorful characters who influenced his childhood **Irish Wonders, the Ghosts, Giants, Pookas ... & Other Marvels of the Emerald Isle; Popular Tales as Told by the People, by D.R.
