The Ghosts, Spirits and Spectres of Scotland Francis Thompson, 1973 **Ghosts, Spirits and Spectres of Scotland** Francis Thompson,1984 **Scottish Ghost Stories** James Robertson, 2013-06-06 Inheriting the tradition of Hugh Miller the nineteenth century folklorist and stonemason whose own haunted life is the subject of the opening chapter James Robertson has where possible researched the original or oldest written source and visited the site of each story to compile the most comprehensive and authoritative collection of the Scottish supernatural Some of the stories gathered here are deservedly famous such as those associated with Glamis Castle or the tale of Major Weir while others The Deil of Littledean and The Drummer of Cortachy are less familiar or even contemporary accounts related to the author personally but all are equally intriguing and fascinating reflections of the culture and period to which they belong Neither a wary sceptic nor a fanatical believer but an advocate of the validity of individual experience of the strange and unexplainable James Robertson s Scottish Ghost Stories is an imaginative and chilling recasting of an established Scottish ghost hunting and story telling tradition a homage to the particular mystery and character of a land which continues to produce ghosts whether from den to glen Highlands to Lowlands Catholic to Protestant The Ghost Hunter's Guide Peter Underwood, 1986-11-17 What are the qualities which make an ideal ghost hunter You need to be part detective part investigative reporter a scientist with a measure of the psychologist thrown in In this book which is the first real guide to the hunting of ghosts Peter Underwood manages to cover just about eery aspect of this intriguing and mystifying subject Starting from an explanation of the various kinds of ghosts various kinds of hauntings and the many types of location in which ghosts poltergeists and associated phenomena occur He examines in detail methods of investigation the use of specialist equipment including a special section on the photography of ghosts and the associated questionnaires and documentation needed in order to carry out a bona fide and exhaustive research into the haunting At this point he takes the reader through a step by step investigation of a haunting bringing in the above specialist equipment and paying particular attention to the singular problems associated with poltergeists Then having learned the lessons he looks at aspects of ghost hunting in Britain Europe North America Australasia and the Far East ending up with a calendar of ghosts and their hauntings The author s authority and specialist knowledge in this subject makes The Ghost Hunter's Guide a unique and important book in the investigation of those phenomena which we cannot vet fully explain This Haunted Isle Peter Underwood, 1993 Peter Underwood has personally visited the historic buildings and sites of Britain and here presents a wealth of intriguing legends and new stories of ghostly encounters from more than a hundred such throughout the United Kingdom From Abbey House in Cambridge to Zennor in Cornwall this is an A to Z of the haunted houses of Britain At Bramshill in Hampshire now a police training college there have been so many sightings that even sceptical police officers have had to admit that the place is haunted Beautiful Leeds Castle in Kent has a large phantom black dog there is an Elizabethan gentleman seen by a Canon of the Church of
