Gibbon Making History Historians On Historians:

Edward Gibbon Roy Porter, 1988 **History, Historians, and Autobiography** Jeremy D. Popkin, 2005-05-09 Though history and autobiography both claim to tell true stories about the past historians have traditionally rejected first person accounts as subjective and therefore unreliable What then asks Jeremy D Popkin in *History Historians and Autobiography* are we to make of the ever increasing number of professional historians who are publishing stories of their own lives And how is this recent development changing the nature of history writing the historical profession and the genre of autobiography Drawing on the theoretical work of contemporary critics of autobiography and the philosophy of Paul Ricoeur Popkin reads the autobiographical classics of Edward Gibbon and Henry Adams and the memoirs of contemporary historians such as Emmanuel Le Roy Ladurie Peter Gay Jill Ker Conway and many others he reveals the contributions historians life stories make to our understanding of the human experience Historians autobiographies he shows reveal how scholars arrive at their vocations the difficulties of writing about modern professional life and the ways in which personal stories can add to our understanding of historical events such as war political movements and the traumas of the Holocaust An engrossing overview of the way historians view themselves and their profession this work will be of interest to readers concerned with the ways in which we understand the past as well as anyone interested in the art of life writing **Historians on History** John Tosh, 2014-06-11 A follow up to the bestselling *The Pursuit of History* this Reader brings together the reflections of a number of major historians on the nature and purpose of their craft They illuminate the different governing assumptions political social personal that have sustained these leading practitioners in their studies and show how different influences and methodologies have impacted on them In so doing the book not only gives an insight into the great variety of aspirations and convictions that animate History as a discipline but also brings into focus the key historiographic trends of the English speaking world since World War II Key themes which are highlighted include The nation Marxism People s history Structural history Gender Race Quantitative history Ranging widely from the earlier traditions and schools to the wake of postmodernism authors represented include Braudel Carr Elton Himmelfarb Hobsbawm Scott and Zeldin This Reader provides the core reading for all History and Theory courses **Encyclopedia of Historians and Historical Writing** Kelly Boyd, 2019-10-09 The *Encyclopedia of Historians and Historical Writing* contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

History and Historians Mark T. Gilderhus, 2000 For undergraduate courses in historiography Good supplemental text for American History or Western Civilization or similar survey courses As a survey of historical thinking in the West from ancient times to the present this accessible text focuses on historiography philosophy of history and historical methodology introducing the main issues to beginning students with thorough and balanced discussions Historiography Ernst Breisach, 2008-09-15 In this pioneering work Ernst Breisach presents an effective well organized and concise account of the development of historiography in Western culture Neither a handbook nor an encyclopedia this up to date third edition narrates and interprets the development of historiography from its origins in Greek poetry to the present with compelling sections on postmodernism deconstructionism African American history women s history microhistory the Historikerstreit cultural history and more The definitive look at the writing of history by a historian Historiography provides key insights into some of the most important issues debates and innovations in modern historiography Praise for the first edition Breisach s comprehensive coverage of the subject and his clear presentation of the issues and the complexity of an evolving discipline easily make his work the best of its kind Lester D Stephens American Historical Review **Edmund Burke as Historian** Sora Sato, 2017-11-01 This book provides a comprehensive survey of Edmund Burke s historical thought a neglected area of both Burke scholarship and historiography Ranging from Burke s general conception of history to his accounts of English European American Irish and Asian Muslim history this book offers much needed depth and context to his political life Sora Sato illuminates Burke s ideas on civilisation and world order with careful analysis of both his well known historical concepts such as the ancient constitution of England and the spirit of chivalry as well as his lesser known opinions on war and the military Written with clarity and precision this book is an invaluable reference for scholars of Burke early modern European history and political philosophy Gibbon Roy Porter, 1995 **Making History** Richard Cohen, 2022-04-19 A supremely entertaining The New Yorker exploration of who gets to record the world s history from Julius Caesar to William Shakespeare to Ken Burns and how their biases influence our understanding about the past There are many stories we can spin about previous ages but which accounts get told And by whom Is there even such a thing as objective history In this witty wise and elegant The Spectator book Richard Cohen reveals how professional historians and other equally significant witnesses such as the writers of the Bible novelists and political propagandists influence what becomes the accepted record Cohen argues for example that some historians are practitioners of Bad History and twist reality to glorify themselves or their country Scholarly lively quotable up to date and fun Hilary Mantel author of the bestselling Thomas Cromwell trilogy Making History investigates the published works and private utterances of our greatest chroniclers to discover the agendas that informed their and our views of the world From the origins of history writing when such an activity itself seemed revolutionary through to television and the digital age Cohen brings captivating figures to vivid light from Thucydides and Tacitus to Voltaire and Gibbon Winston Churchill and Henry Louis Gates Rich in complex truths and surprising anecdotes the result is a revealing
