Graham,2024-03-07 The nature and availability of spiritual gifts can be confusing Often new believers study signs wonders and miracles without knowing their purpose Steven D Graham a veteran pastor and Bible teacher wrote this book for those who earnestly want all God truly has to offer In it he establishes a biblical basis for understanding the reason for spiritual gifts and in the process explores what many find to be three of the most confusing chapters of the Bible 1 Corinthians 12 13 and 14 He answers questions about the signs wonders and miracles of the Bible and how they fit into God s plan and therefore His plan for you and me By drawing on a sound study of God s Word he leads new believers on the right path toward growth in Christ and away from the misguided approach that so many have taken God is the creator of language and as such He is consistent noncontradictory and purposeful in all that He does That purpose involves you and me and is revealed to those willing to search out these things diligently and skillfully *Living Generously* Pauline Wilson,Fiona Penny,Darren Philip,Katherine Southern,2024-04-30 Living Generously is a new resource from the Church of Scotland to promote a whole life approach to Christian stewardship Its holistic approach comes from a perspective of abundance rather than scarcity and invites readers to reflect on God s goodness and the resources we have at our disposal both personally and collectively in our churches It offers a practical and positive alternative at a time of anxiety about decline It explores how we recognise and steward gifts in twelve different areas God Vision Relationships Volunteers Gifts Time Money Possessions Generations Body Mind Earth A range of contributors offers real life examples of the impact of effective and generous stewardship Reflection and conversation around each theme are facilitated by prompts and discussion starters making this a practical book for both individual and group engagement **Discover** Joel Comiskey,2008 Everyone has at least one spiritual gift according to the Bible But many don t know what that gift is or how to use it This book provides clear steps and guidelines to find and activate spiritual gifts The eight lessons offer biblical insight on what the gifts are and practical suggestions on how to use them This book will especially help those leading a small group to know how to discern the different gifts among group members and then to help each person activate that gift The only way to discover spiritual gifts is in the context of relationships Spiritual gift tests while helping believers to think through the possibilities are insufficient in themselves The atmosphere of trust in a small group is the key cornerstone that allows the free flow of the spiritual gifts When trust is established people are more willing to risk and try out new potential gifts A small group can provide honest feedback about the person s success as well as areas of improvement This book prepares each small group member to understand what his or her spiritual gift is and then instructs the person how to use that gift Discover is a great resource to use individually in a small group or in a classroom teaching setting *Bread Enough for All* Peter M.
