Gift Of Stones The:

Gift Of Stones Jim Crace,1996-05-01 Set before the advent of the Bronze Age The Gift of Stones centers around a community of stoneworkers who live in a village near the sea Wealthy and complacent they survive by the trade of their unrivaled skills secure in the supremacy of their craftsmanship A small boy outcast by misfortune ventures from the confines of the enclave to explore the unknown He returns with enchanting tales of ships and the seashore of new vistas and horizons that beguile and disturb the villagers In spite of his words and intuitive wisdom the stoneworkers remain oblivious to the winds of change beginning to blow in the outside world Until that is the storyteller brings back to the village a strange and angry woman whose presence foretells the coming of metal the end of stone and the demise of their way of life **The Gift of Stones** Jim Crace,2011-01-21 Crace s second novel confirmed his status as a writer of great imagination and skill Set at the twilight of the Stone Age a young man elects himself the village storyteller and hunts restlessly far and wide for inspiration But the information he finds and the people he meets warn of the advent of a new age and the coming of a metal that will change their community s life irrevocably **The Gift** Dean Allen,2014-05-23 In every account of historical significance there is what history has recorded there is what research determines the reasons for that historical account to be valid and there are those people who believe that there are inaccuracies which need to be clarified Some of those people may then seek to re write history as they see it so that those inaccuracies might be removed and the historical account corrected Unknown to most people though is the back story the account of what really happened Lastly for those not satisfied with these explanations of written history there is one other There is the way we wish a historical event had happened instead of the way it did Here we examine what history would have looked like if we had the ability to make that wish come true Some people contend that we do not have the right to make changes to events of the past Leave it alone they would say Take the results for what they are The future should become what it did become Fine I say but while the future may well be written in stone must the past also Do we have the right to ask this question Does He The One Who decrees it all have the final and only say Monasticon Anglicanum William Dugdale,1718 *The Blinded Soldiers and Sailors Gift Book* George Goodchild,1916 Anthology of prose and poetry by authors including John Milton John Galsworthy Edmund Gosse and G K Chesterton set against the background of the World War I Some of the stories also concern blindness **Glossary of Ecclesiastical Ornament and Costume** Augustus Welby Northmore Pugin,1844 **The Bard's Gift** Meredith Mansfield,2020-08-04 The Reluctant Story Teller Sixteen year old Astrid keeps mostly to herself finding companionship in the stories her grandmother used to tell She s too shy even to talk in front of Torolf the young man she secretly dreams of Then the Norse god of eloquence appears in Astrid s dreams and forces her to drink the Mead of Poetry Suddenly she s compelled to tell her stories In public Even in front of Torolf Astrid is meant to use these stories to guide her people from starvation in Greenland to a better future in Markland A place legends claim is the abode of dragons But not all of her fierce and

independent people are willing to follow a mere girl even the chieftain's daughter especially when she counsels peace Some have other plans for the new land and want to use Astrid and her gift as a tool The Inventive Young Man Who Loves Her Torolf never dreamed that quiet Astrid could choose him Now he's stranded in Iceland as she sails in the opposite direction To attain the promise of a future with Astrid he'll have to attempt the impossible sailing alone across the North Atlantic Together they might defy the plans the gods have made for them and change the fate of more than just their own people Norse gods Thunderbird Norse Sagas Norse mythology Iceland Greenland colon Vinland Markland Noblebright **One Last Gift** James N Richardson, 2019-08-27 James Richardson was born in Fort Worth in 1947 and spent most of his life in Texas Along the way he raised two daughters served as a police officer in Irving back when the land between Dallas and Irving was still rolling pastures had a popular radio show on Wise County's KBOC radio station as Country Boy Jim and made the best tasting donuts on the planet It wasn't until his death in July 2019 that his daughters came across a set of papers which proved beyond doubt the man could also write an entertaining story The short stories and poems written sometime around 1994 provide a unique insight into the great man we simply called Dad Join us in celebrating the life and legacy of James N Richardson and experiencing a little bit of the world through his eyes with **One Last Gift NKJV, Gift and Award Bible,**
