Gift Of Worship:

You Are a Gift Unopened Mark McDaniel, 2006-06 I knew that there were forces that were trying to kill me John later returned to the jobsite with a sawed off shotgun I had seen him running with the gun but he hadn't seen me yet It was God himself said stop John did stop dead in his tracks I was desperately searching for a solution to my problems I started attending church It was a normal service but I felt everything except normal During the service Bishop Jakes called me out of this huge audience I was scared I pointed at myself like Who Me But I proceeded to the altar Bishop Jakes laid his big hands on my head and prayed for me The devil was not impressed The devil knew his time was limited so he took advantage of all my weaknesses and he did it at rapid pace I believe we're all struggling in some area in our lives Some of us are trying to stay on the path to righteousness Allow me to be your gift coach The size of your enemy could be the size of your reward Your problems could be your promotion If you give them to God Get on board and I will take you on a ride that will lead you into discovering how to use the gifts God has given you to fulfill your destiny in Christ Because a gift unopened is worthless and a gift is not a gift until you give it away

The Good Gift of Weakness Eric M Schumacher,2024-06-04 This overview of the theme of weakness in the Bible offers readers practical encouragement and hope as they learn to view their frailties as part of God s plan and purpose for their lives Our culture deifies strength and sadly the church does too Who has the most successful ministry the largest congregation or the godliest family Our misplaced faith in human strength is a false hope with no basis in Scripture But a closer look throughout the Bible reveals the central role human frailty plays in the redemption story From Genesis to Revelation God s power is made perfect when people are at their weakest Far from an undesirable defect God designed our weakness to draw us closer to himself As you learn to accept the good gift of weakness you will experience true strength the kind that only comes from a loving and infinitely powerful God Gift and Duty Paul H. De Neui,2017-12-21 Is the Christian concept of grace anathema to the social structure of merit making found in Buddhist karmic communities Are all Buddhist forms of merit making purely for religious purposes to assuage cosmic consequences or are there other reasons Are there not Christian churches who operate under a legalistic view of God s divine wrath and are in essence living as

karmic communities of the Christian type The result of discussions about these and other questions is the volume you now hold in your hand SEANET proudly presents what is number 14 in its series of missiological reference texts Gift and Duty Where Grace and Merit Meet Each of the ten authors presented here represent a particular perspective both Christian and Buddhist that can inform the other The goal of this volume is to lead to a deeper understanding of the significance of diverse religious and cultural perspectives
