Gift Beyond Price:

A Gift Beyond Price Maura Seger, 1983 *The Gift of Beauty* Stephen David Ross, 1996-07-03 Ross explores the developments in Western thought from Plato and Aristotle through Kant and Hegel when art was separated from science and philosophy At the heart of the project is a reexamination of the good found in Plato as that which makes being possible which gives authority to knowledge and beckons to art preserved in Levinas as infinite responsibility The idea of the good is interpreted as nature's abundance giving beauty and truth as gifts calling us to respond It gives rise to an ethics of inclusion expressed in art **The World's Work**, 1929 A history of our time *Here I Am* Keith Scott, 2021-12-09 What if God is hiding in plain sight This is the question that author Keith Scott asks in his book about finding God's presence in our lives Here I Am flips the response that Abraham and Moses gave to God's call imagining it as God's response to our question Where are you The book shows that God reveals himself in human nature history science classical and popular culture and in our common customs and habits Along the way the reader also discovers answers to some of the most vexing issues facing believers like the problem of evil Darwin's theory of evolution and the meaning of salvation Here I Am looks for the answers and finds them and him all around us *Beyond* Christine R Prost and August R Prost, 2014-05-09 How often do we listen to the rain watching the drops dance on the pavement hanging like crystals from the leaves Often through our day we may see our reflections How often do we take an internal survey of what we think how we feel and why Our outer and inner senses offer so much to consider if we take the time to be aware of what is beyond the surface My husband writes with a similar thought pattern so several of his writings have been included It is a wonder gift to have someone to share life heart and mind with Life is not just a destination It is a journey from moment to moment Make each one count *The Song of Albion Collection* Stephen Lawhead, 2014-08-12 Bestselling author Stephen R Lawhead's Song of Albion Trilogy now available in one volume The Paradise War Lewis Gillies is an American graduate student in Oxford who should be getting on with his life Yet for some reason he finds himself speeding north with his roommate Simon on a lark half heartedly searching for a long extinct creature allegedly spotted in a misty glen in Scotland Expecting little more than a weekend diversion Lewis accidentally crosses through a mystical gateway where two worlds meet into the time between times as the ancient Celts called it And into the heart of a collision between good and evil that's been raging since long before Lewis was born The Silver Hand The great king is dead and his kingdom lies in ruins Treachery and brutality rule the land and Albion is the scene of an epic struggle for the throne Lewis is now known as Llew in this Otherworld and has become a threat to the usurper Meldron Exiled and driven from the clan he must seek the meaning behind a mysterious prophecy the making of a true king and the revealing of a long awaited champion Silver Hand The Endless Knot Fires rage in Albion strange hidden dark flamed invisible to the eye In the midst of it Llew must journey to the Foul Land to redeem his greatest treasure As the last battle begins the myths passions and heroism of an ancient people come to life and Llew Silver Hand will face a challenge that will test his

Rites & Wrongs Lesley J. Zobia, 2000-12 RITES AND WRONGS is a humorous fantasy novel in the tradition of Fritz Leiber and latterly Tom Holt It is the story of one small god's battle for fame and power His fight for existence against apathy greed and blatant atheism He leaves Earth in search of another less sophisticated world where his unique talents will be better appreciated His ambition is to set up an adoring congregation who will love and worship him and only him and to have mighty heroes stride the world on holy quests searching for relics with which to adorn his magnificent temple OK so he'll settle for a little respect and the odd orgy or two What he ends up with is a corpulent and miserly High Priest a mute acolyte and two reluctant crusaders who are more interested in having a good time than gaining points on the karmic scoreboard But Banish is not a god to give up easily *The Endless Knot* Stephen R Lawhead, 2013-07-19 The balance is not restored The knot the endless knot is still unraveling Fires rage in Albion strange hidden fires dark flamed invisible to the eye Having ascended the throne as Albion's High King Llew Silver Hand takes the beautiful Goewyn for his queen But in the midst of
