The Gift of Being Yourself David G. Benner, 2004-02-06 Psychologist and spiritual director David G Benner illuminates the spirituality of self discovery He shows how understanding yourself leads you to better discern God s purposes for you and paradoxically how becoming more like Christ allows you to become more fully yourself **The Gift of Being Yourself**

David G. Benner, 2015 Much is said in Christian circles about knowing God But there cannot be deep knowledge of God without deep knowledge of one s self In this profound exploration of Christian identity psychologist and spiritual director David G Benner illuminates the spirituality of self discovery He exposes the false selves that we hide behind and calls us to discover the true self that emerges from our uniqueness in Christ Genuine self understanding revitalizes our spiritual life and leads to the fulfillment of our God given destiny and vocation from back of the book The Gift of Being Yourself David G.

Benner, 2015-09-24 In the expanded edition of this profound exploration of Christian identity David G Benner illuminates the spirituality of self discovery He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ Deepen your experience of God through discovering the gift of being yourself

The Gift of Being Yourself David G. Benner, 2004 **Summary of David G. Benner's The Gift of Being Yourself** Everest Media, 2022-09-21T00:00:00Z Please note This is a companion version not the original book Sample Book Insights 1 The most important thing in the world for Thomas Merton is to find God and for Christians this means knowing God and yourself Failing to know yourself deeply results in a spirituality that is not well grounded in experience 2 The pastor in the story above was a perfect example of how the gap between a person s inner reality and their external appearance can be extremely large The pastor had crafted a public self that was completely different from his true experience and this led to an enormous chasm between the two 3 Self knowledge that is pursued apart from knowing our identity in relation to God can lead to self inflation It can also lead to self preoccupation as we spend more time studying ourselves than studying God 4 The false self is a part of all of us to one degree or another It is our attempt to project a pretend idealized self to the world The truth is that we are all just pretending and we all have a false self *Choose To Be Happy* Geifry Cordero, 2024-12-01 Is it
