The Fearless Passage of Steven Kim Carl Herzig, Steven Kim, 2013-03-14 For the first five decades of his life Steven Kim was a businessman who pursued financial prosperity while largely ignoring both his family and his commitment to God But after moving to China and rededicating his life to Christ this South Korean turned American citizen felt called by God to help North Korean refugees escape from Chinese enslavement In 2003 he was arrested while leading a prayer meeting of nine North Koreans in his apartment Kim would spend the next four years in a Chinese labor camp Despite great hardship and suffering he immersed himself in the Scriptures and led fellow inmates including a hardened murderer and his prison guard to Christ Since his release Kim has been a powerful advocate for North Korean refugees in China raising awareness about their plight and fighting for their human rights Kim s story is thrilling heartbreaking and victorious His life reminds us that God can use anyone in any circumstance to achieve great things for His kingdom     *Leaving Yourself Behind* Dale Bailey, 2012-05-30 Overall Purpose To share very compelling and exciting true stories about people who regardless of the size of their incomes or their estates or even their state of health have found ways to pass on the joy of giving to future generations by simply leaving lasting and measurable legacies of continuing support for their communities There are also stories in this book that seem to confirm the theory that loving your neighbor as yourself is a principle that is cherished in most religions However being inspired by other people s actions is only a portion of the purpose of this book The real intention is to inspire action on the part of the reader Therefore this book also contains step by step instructions to establish lasting legacies for FAMILIES and for CHARITIES Use the tested instructions and you will be Leaving Yourself Behind One of the great mysteries of life is finding a magic formula to make it truly meaningful for you and me and others Some of us who have lived a long time are still looking to find ways to make a measurable and lasting difference to the communities where we live and in some small way help make the world a better place With that intention the following chapters are presented to you     *Glimpses of Unfamiliar Japan - Volume II*. Lafcadio Hearn, 2015-07-02 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork     Glimpses of Unfamiliar Japan Lafcadio Hearn, 2011-12-20 This is a complete two volume set of one of the greatest books of 19th century Japanese history and culture Though Lafcadio Hearn went on to write a dozen more books on Japan this collection of first impressions remains his most popular Among the reasons is that here more than anywhere else the author most vividly captured a place that so affected him that he stayed for the rest of his life The modern reader can still through these pages experience that first charm of Japan intangible and volatile as a perfume Glimpses of Unfamiliar Japan combines two volumes of a work that first

appeared in 1894 In the pages of this book are the customs the superstitions the charming scenery the revelations of Japanese character and all the other elements that Lafcadio Hearn found so bewitching Here for example are essays on such subjects as the Japanese garden the household shrine the festivals and the bewildering Japanese smile all aspects of Japanese life that have endured in spite of the changes that have taken place during the modernization of Japan The Japanese character and the Japanese tradition are still fundamentally the same as Hearn found them to be and for this reason his writing is still extremely revealing to modern readers This edition also contains a new foreword by noted writer and examiner of Japanese culture Donnie Richie that puts Lafcadio Hearn and his classic works into perspective for readers just discovering Hearn s writing for the first time

**Glimpses of Unfamiliar Japan: Second Series** Lafcadio Hearn,2019-11-22 In *Glimpses of Unfamiliar Japan Second Series* Lafcadio Hearn continues his exploration of Japanese culture offering readers an intimate portrait of life in Japan at the turn of the twentieth century Richly woven with lyrical prose and vivid imagery this collection of essays delves into diverse aspects of Japanese society from traditional rituals and folklore to the nuances of everyday life Hearn s style is characterized by a deep sense of empathy and curiosity elevating the mundane to the extraordinary and revealing the complexities of a culture that was both foreign and familiar to him Situated within the larger context of cross cultural literature this work stands as a testament to the transformative power of cultural exchange Lafcadio Hearn born in Greece and raised in the United States was deeply influenced by his experiences as an expatriate His fascination with Japan was ignited during his time as a journalist in the late 19th century Through his keen observational skills and dedication to capturing the essence of Japanese life Hearn cultivated a unique voice that blended Western literary traditions with Eastern philosophies allowing for a more nuanced understanding of Japan s rich heritage *Glimpses of Unfamiliar Japan Second Series* is essential reading for those interested in cultural anthropology travel literature or the history of Japan Hearn s evocative narratives not only serve as a bridge between East and West but also invite readers to reflect on their own perceptions of the unfamiliar making this book a valuable resource for both scholars and casual readers alike
