**The Stockbroker** J. V. Perrone, 2023-08-15 This book contains a love story that tells how the lives of two couples became so intertwined that there would not have been any story if that had not taken place Even though much of the story involves those affiliated with a financial corporation and its subsidiary bank this is not a book about investing or the like so much as it provides a window into relationships that can form from the interaction of people who work in the same environment and how each person has affected the life of another about how a love that was lost a long time ago was found again and how the spark of love exhibited by two people within a corporate environment could be ignited by the interaction of another May you have as much pleasure reading this novel as I had in writing it J V Perrone     I Woke Up Dead at the Mall Judy Sheehan, 2017-04-25 For fans of *The Good Place* a contemporary YA novel with an offbeat supernatural twist tackling some of life's and the afterlife's biggest questions When Sarah wakes up dead at the Mall of America where the universe sends teens who are murdered she learns that not only is she dead her killer is still on the loose Can she solve the mystery of her own demise When you're sixteen you have your whole life ahead of you Unless you're Sarah Not to give anything away but she's dead Murdered in fact Sarah's murder is shocking because she couldn't be any more average No enemies No risky behavior She's just the girl on the sidelines It looks like her afterlife on the other hand will be pretty exciting Sarah has woken up dead at the Mall of America and with the help of her death coach she must learn to move on or she could meet a fate totally worse than death becoming a mall walker As she tries to finish her unfinished business alongside her fellow dead teens Sarah falls hard for a cute boy named Nick And she discovers an uncanny ability to haunt the living While she has no idea who killed her or why someone she loves is in grave danger Sarah can't lose focus or she'll be doomed to relive her final moments again and again forever But can she live with herself if she doesn't make her death matter     Listening for Our Song Margaret L.
