My Life Ben Carson, M.D., 2015-07-14 Ben Carson grew up in the inner cities of Boston and Detroit with his mother and brother When his father deserted the family Ben's mother worked several jobs to support her boys yet worked even harder to encourage them to get an education and follow their dreams Ben's dreams nearly ended when his anger at being poor and the ridicule of a school mate caused him to snap he lunged at the boy and cut him with a knife That brush with attempted murder caused Carson to break down and ask God to turn him around And turn him around he did A poor student Carson under the guidance of his mother and brother became the best student in his class his school and ultimately earned a scholarship to Yale The next time he used a knife was as a neurosurgeon at Johns Hopkins Hospital where he pioneered surgery techniques that not only saved lives but miraculously gave countless children an amazing quality of life My Life is the story of a young boy who could have remained trapped in poverty were it not for his mother's tough and sacrificial love his own perseverance that he learned from her example and his deep faith that called him to do great and mighty things This
