Gifts Strays And Gatherings:

Gifts, Strays, and Gatherings Mike Caldwell, 1973-01-01 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1975 Mammoth Books presents A Ghostly Gathering Angela Slatter, Mark Morris, Ramsey Campbell, Thana Niveau, 2012-07-26 The Pier Thana Niveau The pier exists explains Thana Niveau and yes it is decorated with strange plaques and cryptic memorials although none are quite as morbid as I've invented It's mostly Clevedon Pier which is where the story was born I was reading the plaques one day and a couple of the quirkier ones made me wonder What if they weren't written by the living to remember the dead at all but were instead a channel for voices from somewhere else Somerset is the original Wicker Man country after all It's a place rich in pagan tradition and many of its strange rituals are lost to time Or are they Fallen Boys Mark Morris Porthellion Quay which features in this story is a real place only the name is different says Morris My family and I spent a lovely sunny day there one summer a few years ago during a Cornish holiday I love Cornwall not only because it's breathtakingly beautiful but also because it is wild and rugged and desolate and because past echoes and ancient legends seem to seep out of the very rock It's a landscape which lends itself perfectly to the kinds of ghost stories I love of which it seems there are far too few these days stories which are not cosy and comforting and familiar but which are dark and insidious and evoke a crawling sense of dread Lavender and Lychgates Angela Slatter Lavender and Lychgates is the second last story in Sourdough and Other Stories recalls Slatter I had ideas I wanted to continue to explore consequences of actions in an earlier story in the collection and I had a picture in my head of a young girl in a graveyard Many years ago a friend had told me a garbled tale of lilacs and lychgates the details of which I cannot remember I managed to garble it even more and I couldn't get the words lavender and lychgates out of my head nor the image of shadows swirling in the apex of a lychgate roof above the heads of people passing out underneath I also wondered what happens when you hang onto a memory too tightly With the Angels Ramsey Campbell My fellow clansman Paul Campbell will remember the birth of this tale he reveals At the Dead Dog party after the 2010 World Horror Convention in Brighton someone was throwing a delighted toddler into the air I was ambushed by an idea and had to apologise to Paul for rushing away to my room to scribble notes The result is here A Gift of Dragons Anne McCaffrey, 2002-10-29 For more than thirty years Pern has conjured visions of brave men and women mounted upon the backs of dragons As anyone knows who has been touched by the storytelling magic of Anne McCaffrey to read of the exotic world of Pern is to inhabit it and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures Now A Gift of Dragons brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd In The Smallest Dragonboy Keevan is the youngest dragonrider candidate determined to impress a dragon when the next clutch of eggs hatches But what transpires will surprise everyone Keevan most of all In The Girl Who Heard Dragons a young girl's rare ability to communicate with dragons puts her family in danger and will bring her face to face with her

greatest fears and with her most secret desire The Runner of Pern is a girl named Tenna who follows family tradition by delivering messages and who will find her destiny on the mossy traces that runners have used for centuries under the dragon filled sky And finally a very special gift an exciting new Pern adventure published here for the first time fresh from the imagination of Anne McCaffrey *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress.
