**The History of the Occult Tarot** Ronald Decker,Michael Dummett,2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was

simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot s history describes the many fascinating decks imagined over time as well as the secret histories of mystics

**The Rings of Poseidon** Mike Crowson,2008-07-12 The Rings of Poseidon A team of archaeologists led by Afro Caribbean Alycia Graham is excavating a Stone Age site in the Orkney Islands north of Scotland when they uncover a remarkably preserved copper ring a ring which seems to have the power to give the wearer a glimpse of the past but is it their own past or that of the ring Why are all the team somehow connected with the ring What is a metal ring doing so far back in the Stone Age and who is seeking the ring over millenia A story with a strong occult element and a sinister thread running through it accurately crafted by one who has been a student of the occult for decades A cult novel of the Western Mystery tradition

Working with Karma Gill Farrer-Halls,2006-07-01 Karma is the spiritual philosophy at the heart of Buddhism Hinduism and other religions of the Indian subcontinent and it can be a confusing concept It is simply put the totality of everything we have done are doing and will do in this life and in past and future existences Written for those just beginning their exploration of karmic thought this deeply contemplative guide explodes the myths and explains karma s true influence upon relationships career prosperity and health Also there are rituals to put ideas into practice along with suggested meditations a discussion of the 10 Positive Actions and The Buddha s eight step guide to spiritual awakening

*All That We Remember* Elenor Gill,2015-04-12 A woman s memories are not her own in this supernatural mystery a new direction for a well respected New Zealand writer The Timaru Herald When a violent car accident leaves Aimee Carmichael with nearly no memories of her childhood she ventures back to her family home with hopes that it will jog her ruined mind But instead of the answers she s seeking more questions arise as memories start to come back memories that don t belong to her As

mysterious recollections invade her mind and haunting images plague her dreams tragic secrets come to light and Aimee begins to question everything she thought she remembered about those she loves and of herself     The Gill Tarot Book Elizabeth Josephine Gill,1997-09 Elizabeth Josephine Gill provides a thoughtful and comprehensive interpretation of her tarot deck based upon the Tree of Life and classical religious literature and beliefs     The Way to God Sher Gill,2019-04-17 The Way to God The Way to God is a collection of universal spiritual writings to benefit all seekers those who want to explore the worlds beyond in this lifetime All chapters reveal spiritual secrets and required qualities for a seeker to become the master of their own universe If you are bold and adventurous then there is nothing you cannot know or do It is the old spiritual science presented with a fresh approach which can benefit any person of any religion The information provided in this book is the key to the secret worlds How to travel within is explained with diagrams which you have probably never seen or heard of before God is known to be living in a faraway country but this distance could be as close as your heartbeat or less than a hair s breadth Open up to know the truth while you can You will not be disappointed This opportunity comes only once in a lifetime Jump within light and sound Between God and soul there is no religion or distance It just is Experience it and have your being in it     The Element Tarot Handbook Naomi Ozaniec,1994 The popular perception of the tarot is as a tool for fortune telling but this book introduces it as a vehicle for initiation the true function of all mystery traditions It involves readers in a process of personal transformation in which the tarot trumps are related to the tree of life to provide a classic initiatory structure The keys to initiation are themselves presented through a series of integrated intellectual intuitive tasks culminating in an extended meditation on the tarot trumps The book also includes some private anecdotes which illustrate how the trumps come to life within the psyche     **Archetypal Imagery and the Spiritual Self** Annabelle Nelson,2014-06-21 This book explains how visualizing archetypes in therapeutic practice can focus the client s attention making space for spiritual insights and allowing distracting emotions to dissipate Combining psychology and spirituality it contains case studies and practical exercises to lead the client to improved emotional health and spiritual awareness

**Dublin Voices** Kevin C. Kearns,2001-09-06 For nearly thirty years Kevin C Kearns collected the memories and recollections of Dubliners on tape These interviews have formed the basis of an extraordinary body of work one whose subjects have included the life of the Dublin pub and the tenement house In this ambitious book he considers their contributions in aggregate drawing on the voices of ordinary Dubliners to build an oral folk history of the city in the twentieth century Firemen engine drivers bell ringers gatekeepers cinema ushers gravediggers dockers factory workers butchers hatters booksellers and many more all contribute their own words to this epic portrait of Dublin city life in the turbulent decades separating the Victorian and modern eras In Dublin Voices the words of ordinary Dubliners can be heard as they recall their lives and times Lucid witty and compelling these oral narratives bring the city to life in a manner that conventional histories simply cannot match     *British Books* ,1907     **The Publishers' Circular and Booksellers'**
