They Made Us Happy Andy Propst,2019-02-01 Betty Comden and Adolph Green were the writers behind such classic stage musicals as On the Town Wonderful Town and Bells Are Ringing and they provided lyrics for such standards as New York New York Just in Time The Party s Over and Make Someone Happy to name just a few

This remarkable duo the longest running partnership in theatrical history also penned the screenplays for such cinematic gems as *Singin in the Rain* and *The Band Wagon*. In the process they worked with such artists as Leonard Bernstein, Gene Kelly, Fred Astaire, Judy Holliday and Jule Styne. *They Made Us Happy* is the first book to tell the full story of their careers, lives and work starting with their acclaimed appearances as part of the sketch troupe the Revuers and moving through their bi-coastal lives as a pair of Broadway's top writers and two of Hollywood's most valued scribes. The book takes readers on a trip through almost the entirety of the twentieth century and along the way there are appearances by the likes of Jacqueline Kennedy Onassis, Greta Garbo and Charlie Chaplin. Author Andy Propst brings both their produced work to life as well as many of the projects that that never made it to the stage or the screen including an aborted musical version of Thornton Wilder's *The Skin of Our Teeth*, a bio-pic about director-choreographer Busby Berkeley and their version of the book for Cole Porter's musical *Out of This World*. Comden and Green's wit and deft satire inspired laughs during their lives and their musicals and movies have endured, amusing generation after generation. It's work that will always be making audiences happy.

Hermes Pan John Franceschina, 2012-06-12 Armed with an eighth grade education, an inexhaustible imagination and an innate talent for dancing, Hermes Pan (1909-1990) was a boy from Tennessee who became the most prolific, popular and memorable choreographer of the glory days of the Hollywood musical. While he may be most well known for the Fred Astaire-Ginger Rogers musicals which he choreographed at RKO film studios, he also created dances at Twentieth Century Fox, MGM, Paramount and later for television, winning both the Oscar and the Emmy for best choreography. In *Hermes Pan: The Man Who Danced with Fred Astaire*, Pan emerges as a man in full, an artist inseparable from his works. He was a choreographer deeply interested in his dancers' personalities and his dances became his way of embracing and understanding the outside world. Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk, Pan remained a deeply devout Roman Catholic throughout his creative life, a person firmly convinced of the powers of prayer. While he was rarely to be seen without several beautiful women at his side, it was no secret that Pan was homosexual and even had a life partner. As Pan worked at the nexus of the cinema industry's creative circles during the golden age of the film musical, this book traces not only Pan's personal life but also the history of the Hollywood musical itself. It is a study of Pan who emerges here as a benevolent perfectionist and equally of the stars, composers and directors with whom he worked, from Astaire and Rogers to Betty Grable, Rita Hayworth, Elizabeth Taylor, Sammy Davis Jr., Frank Sinatra, Bob Fosse, George Gershwin, Samuel Goldwyn and countless other luminaries of American popular entertainment. Author John Franceschina bases his telling of Pan's life on extensive first-hand research into Pan's unpublished correspondence and his own interviews. Pan enjoyed one of the most illustrious careers of any Hollywood dance director and because his work also spanned across Broadway and television, this book will appeal to readers interested in musical theater history, dance history and film.

Designing Women Lucy Fischer, 2003-07-30 Grand, sensational and exotic Art Deco design was above all modern.

exemplifying the majesty and boundless potential of a newly industrialized world From department store window dressings to the illustrations in the Sears Roebuck Co catalogs to the glamorous pages of Vogue and Harper s Bazar Lucy Fischer documents the ubiquity of Art Deco in mainstream consumerism and its connection to the emergence of the New Woman in American society Fischer argues that Art Deco functioned as a trademark for popular notions of femininity during a time when women were widely considered to be the primary consumers in the average household and as the tactics of advertisers as well as the content of new magazines such as Good Housekeeping and the Woman s Home Companion increasingly catered to female buyers While reflecting the growing prestige of the modern woman Art Deco inspired consumerism helped shape the image of femininity that would dominate the American imagination for decades to come In films of the middle and late 1920s the Art Deco aesthetic was at its most radical Female stars such as Greta Garbo Joan Crawford and Myrna Loy donned sumptuous Art Deco fashions while the directors Cecil B DeMille Busby Berkeley Jacques Feyder and Fritz Lang created cinematic worlds that were veritable Deco extravaganzas But the style soon fell into decline and Fischer examines the attendant taming of the female role throughout the 1930s as a growing conservatism challenged the feminist advances of an earlier generation Progressively muted in films the Art Deco woman once an object of intense desire gradually regressed toward demeaning caricatures and pantomimes of unbridled sexuality Exploring the vision of American womanhood as it was portrayed in a large body of films and a variety of genres from the fashionable musicals of Josephine Baker and Fred Astaire and Ginger Rogers to the fantastic settings of Metropolis The Wizard of Oz and Lost Horizon Fischer reveals America s long standing fascination with Art Deco the movement s iconic influence on cinematic expression and how its familiar style left an indelible mark on American culture

The Astaires Kathleen Riley, 2012-03-01 This is the first book about the theatre career of Fred and Adele Astaire detailing their years in vaudeville on Broadway and in London their impact culturally and the essence of their partnership on and off the stage
