Bruce Ackerman, 2008-10-01 The proper construction of the compensation clause of the Constitution has emerged as the central legal issue of the environmental revolution as property owners have challenged a steady stream of environmental statutes that have cut deeply into traditional notions of property rights When may they justly demand that the state compensate them for the sacrifices they are called upon to make for the common good Ackerman argues that there is more at stake in the present wave of litigation than even the future shape of environmental law in the United States To frame an adequate response lawyers must come to terms with an analytic conflict that implicates the nature of modern legal thought itself Ackerman expresses this conflict in terms of two opposed ideal types Scientific Policymaking and Ordinary Observing and sketches the very different way in which these competing approaches understand the compensation question He also tries to demonstrate that the confusion of current compensation doctrine is a product of the legal profession's failure to choose between these two modes of legal analysis He concludes by exploring the large implications of such a choice relating the conflict between Scientific Policymaking and Ordinary Observing to fundamental issues in economic analysis political theory metaethics and the philosophy of language

**Hamburger Heaven** Jeffrey Tennyson, 1993-09-06 Presents the story of the ascent of the world's most famous sandwich through text and illustrations *Inventing American Tradition*

Jack David Eller, 2018-09-15 What really happened on the first Thanksgiving How did a British drinking song become the US national anthem And what makes Superman so darned American Every tradition even the noblest and most cherished has a history none more so than in the United States a nation born with relative indifference if not hostility to the past Most Americans would be surprised to learn just how recent and controversial the origins of their traditions are as well as how those origins are often related to such divisive forces as the trauma of the Civil War or fears for American identity stemming from immigration and socialism In pithy entertaining chapters Inventing American Tradition explores a set of beloved traditions spanning political symbols holidays lifestyles and fictional characters everything from the anthem to the American flag blue

jeans and Mickey Mouse Shedding light on the individuals who created these traditions and their motivations for promoting them Jack David Eller reveals the murky conflicted confused and contradictory history of emblems and institutions we very often take to be the bedrock of America What emerges from this sideways take on our most celebrated Americanisms is the realization that all traditions are invented by particular people at particular times for particular reasons and that the process of traditioning is forever ongoing especially in the land of the free *Hamburger Heaven* Wong Herbert Yee,1999 When Pinky Pig s job at Hamburger Heaven is threatened she launches a campaign to make the restaurant more popular with the other animals **Solving Math Problems Kids Care about** Randall J. Souviney,2006 Educational resource for teachers parents and kids **American Autopia** Gabrielle Esperdy,2019-10-28 Early to mid twentieth century America was the heyday of a car culture that has been called an automobile utopia In *American Autopia* Gabrielle Esperdy examines how the automobile influenced architectural and urban discourse in the United States from the earliest days of the auto industry to the aftermath of the 1970s oil crisis Paying particular attention to developments after World War II Esperdy creates a narrative that extends from U S Routes 1 and 66 to the Las Vegas Strip to California freeways with stops at gas stations diners main drags shopping centers and parking lots along the way While it addresses the development of auto oriented landscapes and infrastructures *American Autopia* is not a conventional history offering instead an exploration of the wide ranging evolution of car centric territories and drive in typologies looking at how they were scrutinized by diverse cultural observers in the middle of the twentieth century Drawing on work published in the popular and professional press and generously illustrated with evocative images the book shows how figures as diverse as designer Victor Gruen geographer Jean Gottmann theorist Denise Scott Brown critic J B Jackson and historian Reyner Banham constructed autopia as a place and an idea The result is an intellectual history and interpretive roadmap to the United States of the Automobile New York City Andrew F. Smith,2013-11-26 New York City s first food biography showcases all the vibrancy innovation diversity influence and taste of this most celebrated American metropolis Its cuisine has developed as a lively potluck supper where discrete culinary traditions have survived thrived and interacted For almost 400 years New York s culinary influence has been felt in other cities and communities worldwide New York s restaurants such as Delmonico s created and sustained haute cuisine in this country Grocery stores and supermarkets that were launched here became models for national food distribution More cookbooks have been published in New York than in all other American cities combined Foreign and fancy foods including hamburgers pizza hot dogs Waldorf salad and baked Alaska were introduced to Americans through New York s colorful street vendors cooks and restaurateurs As Smith shows here the city s ever changing culinary life continues to fascinate and satiate both natives and visitors alike **The Hamburger** Josh Ozersky,2009-05-01 Originally published in hardcover in 2008 **When We First Met** Norma Fox Mazer,2015-05-19 How is it possible that the one guy Jenny falls for is totally off limits March isn t usually Jenny s month For one thing it s too dark and gray For another her sister Gail died two

years ago in March after being hit by a drunk driver a blow her family hasn't yet recovered from But March is also when she first sees Rob He's new in school and although Jenny doesn't know who he is yet she can't look away when they pass each other in the halls She knows there's something between them and he seems to know it too until a chance conversation reveals something terrible Rob's mother was the driver who killed Gail Even as Jenny tries to pull away from Rob she's secretly glad about his stubborn insistence that they be friends despite their pasts If Jenny and Rob become friends or more is she betraying her family Can she and Rob find a way to transcend the tragedies in both their pasts and hold on to each other
