

Hammer of Justice : Molly Rush and the Plowshares Eight

Norman, Liane Ellison

Hammer Of Justice Molly Rush And The Plowshares Eight

Kristen Tobey

Hammer Of Justice Molly Rush And The Plowshares Eight:

Hammer of Justice Liane Ellison Norman,1989-01-01 **Hammer of Justice** Liane Ellison Norman,2016-08-23 As a study of the nature and sources of personal heroism in pursuit of moral vision this book is remarkable Ramsey Clark Molly Rush is one of the pioneers and heroes of our modern age Helen Caldicott founding president of Physicians for Social Responsibility founder of Women s Action for Nuclear Disarmament We are not exactly the world we were when Molly struck her blow for peace One reason we are not is that Molly Rush defied popular wisdom If it would do any good people said we d do it too Molly did it without a warranty She had no assurance it would do good but she did it all the same Her story is truly beautifully soundly responsibly and reliably told by Liane Norman Mark Harris author of The Southpaw and Bang the Drum Slowly Praising Molly Rush seems to me a redundant exercise somewhat like praising the Grand Canyon or a Mojave sunset She is like them a natural wonder Spouse and parent conscious and joyous spirit friend and arduous worker she seems to me above all a teacher of what the human might be She lives her ideals Father Daniel Berrigan poet and member of the Plowshares Eight Molly Rush s story is a testament to the extraordinary strengths of ordinary people With warm sympathy and lyric grace Liane Norman illumines Molly s discovery of strength and freedom and with it the possibility of finding our own Mark Sommer author of Beyond the Bomb and The Conquest of War Liane Norman brilliantly tells the story of Molly Rush a true hero of our time resisting nonviolently the onslaught of nuclearism accepting prison as an expression of love for her children and her country Norman s faithful narrative ensures a deeply moving and edifying experience for any serious reader Richard Falk professor emeritus of international law Princeton University author with Robert Jay Lifton of Indefensible Weapons **Transform Now Plowshares** Carole Sargent,2022-02-15 In July 2012 a Holy Child sister and two Catholic Workers committed the largest breach in US nuclear security history They entered an enriched uranium facility armed with candles bread Bibles and roses to pray and paint peace slogans As Transform Now Plowshares they hoped to put nuclear weapons which target civilians in violation of the Geneva Conventions and UN treaties on trial making international news This book shares their discernments of conscience and the civil resistance legacy of Plowshares with its background of Dorothy Day s Catholic Worker while also engaging the work of the Berrigan brothers the Catonsville nine and the recent Kings Bay Plowshares seven Learn their stories and see the principles of Catholic Social Teaching in action **Swords Into Plowshares, Volume Two** Arthur J. Laffin,2010-05-01 On September 9 1980 the Plowshares Eight entered a General Electric plant in King of Prussia Pennsylvania and enacted the biblical command to beat swords into plowshares by hammering on the nose cones of two nuclear warheads and pouring blood on documents Since that time other small groups and individuals have entered manufacturing plants and military bases throughout the U S as well as in Australia Germany England Ireland Sweden and Holland to disarm components of nuclear and conventional weapons systems As of Spring 2003 there have been over 150 people who using hammers and other symbols have carried out over 75 plowshares and related

disarmament actions This book recounts each of the actions that have occurred over the last twenty three years and includes information about the trials and sentences plowshares activists have received Photos of some of the actions and participants are also included in this chronology as well as other resources for peace and justice [A Decent Life](#) Todd May,2021-05-07 Can we lead a fundamentally decent life without taking such drastic steps Todd May has answers He s not the sort of philosopher who tells us we have to be model citizens who display perfect ethics in every decision we make He s realistic he understands that living up to ideals is a constant struggle May leads readers through the traditional philosophical bases of a number of arguments about what ethics asks of us then he develops a more reasonable and achievable way of thinking about them one that shows us how we can use philosophical insights to participate in the complicated world around us

Plowshares Kristen Tobey,2016-09-01 In September 1980 eight Catholic activists made their way into a Pennsylvania General Electric plant housing parts for nuclear missiles Evading security guards these activists pounded on missile nose cones with hammers and then covered the cones in their own blood This act of nonviolent resistance was their answer to calls for prophetic witness in the Old Testament They shall beat their swords into plowshares and their spears into pruning hooks Nation shall not take up sword against nation they shall never again know war *Plowshares* explores the closely interwoven religious and social significance of the group s use of performance to achieve its goals It looks at the group s acts of civil disobedience such as that undertaken at the GE plant in 1980 and the *Plowshares* behavior at the legal trials that result from these protests Interpreting the Bible as a mandate to enact God s kingdom through political resistance the *Plowshares* work toward symbolic disarmament with the aim of eradicating nuclear weapons *Plowshares* activists continue to carry out such divine obediences against facilities where equipment used in the production or deployment of nuclear weapons is manufactured or stored Whether one agrees or disagrees with their actions this volume helps us better understand their motivations logic identity and ultimate goal **Doing Time for Peace** Rosalie G. Riegle,2021-04-30 In this compelling collection of oral histories more than seventy five peacemakers describe how they say no to war making in the strongest way possible by engaging in civil disobedience and paying the consequences in jail or prison These courageous resisters leave family and community and life on the outside in their efforts to direct U S policy away from its militarism Many are Catholic Workers devoting their lives to the works of mercy instead of the works of war They are homemakers and carpenters and social workers and teachers who are often called faith based activists They speak from the left of the political perspective providing a counterpoint to the faith based activism of the fundamentalist Right In their own words the narrators describe their motivations and their preparations for acts of resistance the actions themselves and their trials and subsequent jail time We hear from those who do their time by caring for their families and managing communities while their partners are imprisoned Spouses and children talk frankly of the strains on family ties that a life of working for peace in the world can cause The voices range from a World War II conscientious objector to those protesting the recent war in Iraq The

book includes sections on resister families the Berrigans and Jonah House the Plowshares Communities the Syracuse Peace Council and Catholic Worker houses and communities The introduction by Dan McKanan situates these activists in the long tradition of resistance to war and witness to peace

Maternal Theory Andrea O'Reilly, 2021-07-08 Theory on mothers mothering and motherhood has emerged as a distinct body of knowledge within Motherhood Studies and Feminist Theory more generally This collection The Second Edition of *Maternal Theory Essential Readings* introduces readers to this rich and diverse tradition of maternal theory Composed of 60 chapters the 2nd edition includes two sections the first with the classic texts by Adrienne Rich Nancy Chodorow Sara Ruddick Alice Walker Barbara Katz Rothman bell hooks Sharon Hays Patricia Hill Collins Audre Lorde Daphne de Marneffe Judith Warner Patrice diQinizio Susan Maushart and many more The second section includes thirty new chapters on vital and new topics including Trans Parenting Non Binary Parenting Queer Mothering Matricentric Feminism Normative Motherhood Maternal Subjectivity Maternal Narratology Maternal Ambivalence Maternal Regret Monstrous Mothers The Migrant Maternal Reproductive Justice Feminist Mothering Feminist Fathering Indigenous Mothering The Digital Maternal The Opt Out Revolution Black Motherhoods Motherlines The Motherhood Memoir Pandemic Mothering and many more *Maternal Theory* is essential reading for anyone interested in motherhood as experience ideology and identity

Maternal Activism Danielle Poe, 2015-02-11 Demonstrates how individuals can respond to widespread injustice and systemic militarization in society *Maternal Activism* tells the stories of women who refused to ignore injustice even though many people urged them to stop their activism by claiming it would harm their children Molly Rush Michele Naar Obed Cindy Sheehan and Diane Wilson recognized that the potential well being of their children relates to the damage done by US militarism and environmental destruction These women's stories illustrate feminist ethical theory and contemporary theory from peace studies By examining their context for addressing injustice and the theoretical supports for their action this book demonstrates that issues of injustice overlap such that critiques of nuclear weapons lead to critiques of war and militarism which lead to critiques of environmental destruction The unique strength of this book is that in sharing the stories of these four mothers it brings to the forefront what it means to live maternal activism in the many dimensions of women's lives activist partner mother friend etc and does so with acute and sensitive awareness of the complexities and tensions of doing so Andrea O'Reilly editor of *Feminist Mothering*

To Beijing and Beyond Janice Auth, 2010-06-15 Documents 1995 UN Fourth World Conference on Women in Beijing Forty three essays by men and women who attended the conference tell of their experiences and how they've applied what they learned at home The words of these college presidents students teachers homemakers retirees writers clergy and entrepreneurs who participated in the UN Fourth World Conference on Women document the remarkable initiative energy and vision of those who began and continue to coordinate the activities of Pittsburgh Beijing 95 and Beyond Auth also offers background information on the three previous UN Women's Conferences outlines the work that has been accomplished since the 1995 conference and the plans

for implementing the Beijing Platform for Action at the local level Her remarks and the stories she has collected offer an intimate portrayal of an historical event that was largely under reported by popular media Essential reading for anyone who wants to know what really happened and what they can do now

Peace Movement Organizations and Activists in the U.S. John Lofland, Victoria Lee Johnson, Pamela Kato, 1991 Here is the most comprehensive compilation and analytic classification of book length publications on the immense upwelling of peace activism that occurred in the United States during the 1980 s It is an indispensable reference addition to the bookshelf of all researchers of peace movements in the United States Focusing on the post World War II years with particular attention to the 1980 s this volume is an extensive bibliography of books categorized into six categories by theory transcenders educators intellectuals politicians protestors and prophets Peace Movement Organizations and Activists in the United States An Analytic Bibliography is an indispensable tool for researchers and students of peace movements from several disciplines including history political science security studies sociology and international relations

Nonkilling Global Political Science Glenn D. Paige, 2009 This book is offered for consideration and critical reflection primarily by political science scholars throughout the world from beginning students to professors emeriti Neither age nor erudition seems to make much difference in the prevailing assumption that killing is an inescapable part of the human condition that must be accepted in political theory and practice It is hoped that readers will join in questioning this assumption and will contribute further stepping stones of thought and action toward a nonkilling global future

We Won't Pay! David M. Gross, 2008 Writings from over 2 000 years of tax resisters and tax resistance campaigns covering both tax resistance as an act of individual conscience and revenue refusal as a technique of nonviolent resistance

Disarmed And Dangerous Murray Polner, 2018-02-02 What transformed Daniel and Philip Berrigan from conventional Roman Catholic priests into holy outlaws for a time the two most wanted men of J Edgar Hoover s FBI And how did they evolve from their traditionally pious second generation immigrant beginnings to become the most famous some would say notorious religious rebels of their day Disarmed and Dangerous the first full length unauthorized biography of the Berrigans answers these questions with an incisive and illuminating account of their rise to prominence as civil rights and antiwar activists It also traces the brothers careers as constant thorns in the side of church authority as well as their leadership of the ongoing Plowshares movement a highly controversial campaign of civil disobedience against the contemporary arms trade and nuclear weapons Murray Polner and Jim O Grady plumb the Berrigans contradictions among them Philip s secret marriage while he was still a Josephite priest to Elizabeth McAlister then a Catholic nun which led to their dismissals by their respective religious orders and Philip s excommunication from the church and Daniel s speech faulting Israel s treatment of Palestinians and the resulting criticism loosed upon him from pro Israeli Americans and many of his allies on the left Disarmed and Dangerous is a fascinating study of brothers linked by faith and the dreams of peace and social justice in a century bloodied by war mass murders and weapons of immense destructive power It is above all an

original contribution to modern American history that is sure to be widely read and discussed **Emile de Antonio**

Randolph Lewis, 2000-11-01 Emile de Antonio 1919 1989 was the most important political filmmaker in the United States during the Cold War Director of such controversial films as Point of Order 1963 In the Year of the Pig 1969 Millhouse A White Comedy 1971 and Mr Hoover and I 1989 de Antonio lived a remarkable life in dissent De Antonio was a womanizing raconteur upper class Marxist Harvard classmate of John F Kennedy World War II bomber pilot and failed English professor who lived a colorful life even before he stumbled headfirst into the New York art world of the 1950s Everything I learned about painting I learned from De Andy Warhol said about his friend who famously drank himself unconscious in Warhol s film Drink De Antonio also was important to the early careers of Jasper Johns Robert Rauschenburg and John Cage Then in 1959 de Antonio took on the chance to distribute the Beat film Pull My Daisy and discovered filmmaking In the first book on de Antonio s life and work Randolph Lewis traces the turbulent development of the filmmaker s career Lewis follows de Antonio s struggle to make films about Joseph McCarthy Richard Nixon and J Edgar Hoover under whose direction the FBI compiled a 10 000 page file on de Antonio and to work with such political allies as Mark Lane Martin Sheen Bertrand Russell Daniel Berrigan and members of the Weather Underground whose activities he documented in the film Underground Blending biography with critical insights about art literature and film Lewis offers de Antonio as a lens to focus on the complex terrain of post World War II America **The Fracture of Good Order** Jason C. Bivins, 2004-07-21 Whether picketing outside abortion clinics speaking out at school board meetings or attending anti death penalty vigils many Americans have publicly opposed local state or federal government policies on the basis of their religious convictions In The Fracture of Good Order Jason Bivins examines the growing phenomenon of Christian protest against civil authority and political order in the United States He argues that since the 1960s there has been a proliferation of religious activism against what protesters perceive as government s excessive power and lack of moral principle Calling this phenomenon Christian antiliberalism Bivins finds at its center a belief that American politics is based on a liberal tradition that gives government too much social and economic influence and threatens the practice of a religious life Focusing on the Catholic pacifism of Daniel and Philip Berrigan and the Jonah House resistance community the Christian Right s homeschooling movement and the evangelical Sojourners community Bivins combines religious studies with political theory to explore the common ground shared by these disparate groups Despite their vast ideological and institutional differences Bivins argues these activists justify their actions in overtly religious terms based on a rejection of basic tenets of the American political system Analyzing the widespread dissatisfaction with the conventional forms of political identity and affiliation that characterize American civic life today Bivins sheds light on the complex relations between religion and democratic society *Nonviolence in Theory and Practice* Robert L. Holmes, 1990 This book combats the notion that nonviolence is basically something new by stressing its Eastern origins and emphasizing the extent to which many of the recent manifestations of nonviolence are found in the Third World **Building**

a Peace System Robert A. Irwin, 1989
