Hammet And The Highlanders

Walter Scott

Hammet And The Highlanders:

Highlanders James MacKillop, 2024-01-04 Rebellion was recurrent in the Highlands because the Gaels Scoti were an often oppressed indigenous minority in the nation Scotland to which they gave their name They spoke a language Gaelic few outsiders would learn and had their own family and social system the clans Warfare was bloody culminating in the catastrophe of Culloden Moor during the doomed quest to restore the Stuart kingship to all of Britain Economic hardship including the near genocidal Clearances in which tenant farmers were replaced with sheep drove the Gaels from the glens and islands so that most today live in the diaspora including millions in North America Although the Gaels lack a single genetic identity they clearly draw from distinct roots in the Irish Norse and Picts Despite their hardship the Gaels are also presented in romantic portrayals by the artistic elite of other nations This book offers ways in which the reader might find roots and ancestry in unfamiliar terrain Chapters discuss the landscape and language of the Highlanders the rise of clans feuds and invasions and eventual emigration

The Highland Clearances Eric Richards, 2012-11-05 The Highland Clearances stands out as one of the most emotive chapters in the history of Scotland This book traces the origins of the Clearances from the eighteenth century to their culmination in the crofting legislation of the 1880s In considering both the terrible suffering of the Highland people as well as the stark choices that faced landowners during a period of rapid economic change it shows how the Clearances were one of many attempted solutions to the problem of how to maintain a population on marginal and infertile land and were in fact part of a wider European movement of rural depopulation In drawing attention away from the mythology to the hard facts of what actually happened The Highland Clearances offers a balanced analysis of events which created a terrible scar on the Highland and Gaelic imagination

Joanna's Highlander Maeve Greyson, 2018-04-10 Present day North Carolina sings with the passions of the Scottish Highlands as a fiery time traveling Celtic warrior takes a stubborn tour guide for a wild ride Haunted by lost love Grant MacDara still dreams of tenth century Scotland Nothing can soothe his aching heart until a sharp tongued redheaded beauty leads a tour of senior citizens through his family's North Carolina theme park Highland Life and Legends Though she's the polar opposite of the lass he left behind Joanna Martin is the most irresistible woman Grant has ever met But when he decides that she's worth the risk of loving again he tries so hard to hold her close that she nearly slips through his fingers Forced out of her job as a pharmaceutical sales rep by a conniving ex Joanna is trying to make the best of her quiet new life But one glimpse of Grant who wields an ancient hammer like it's just another appendage of his chiseled body convinces Joanna not to give up on love The one thing she can't do is outrun her past as a loser magnet And although Grant seems to be the last honorable man left on earth this mouthwatering stud needs a crash course in twenty first century women before Joanna can trust him with her heart Praise for Joanna's Highlander This
