## **Hampshire Ccc 100 Greats:**

**Hampshire County Cricket Club** Neil Jenkinson,Dave Allen,Bill Ricquier,2002-06 This book is part of the 100 Greats series which collects short biographies and statistics of the 100 greatest players on various sporting teams or clubs throughout their histories *British Sport: Local histories* Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian

**British Sport - A Bibliography to 2000** Richard Cox,2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian A.P. 'Bunny' Lucas: The Best of All My Boys David Pracy,2010-05-01 A late Victorian wag once claimed that all men were cads aesthetes or trade In his time Bunny Lucas 1857 1923 was said to be all three but David Pracy here uses a wide range of primary and secondary sources to make the case for us to think of Lucas as an aesthete Yet his was a life full of intriguing paradoxes A devout churchman he was the unlikely co respondent in an Edwardian divorce case Conservative in character he entered the risky profession of stock jobber and probably lost thousands of pounds in an ill advised investment Famous as one of the most stylish defensive batsmen of his age he bowled a ball that inspired a short story by Sir Arthur Conan Doyle In a remarkable first class career spanning 34 seasons he was for some seven years an automatic choice for England and the Gentlemen but dropped out of top level cricket to play for his school Old Boys side and for the then minor county of Essex only to help them achieve first class status and enjoy his own cricketing Indian summer Born into a wealthy upper middle class family in a fashionable part of London s West End he became a great favourite with the often raucous East London crowds that supported Essex at Leyton As Robin Hobbs suggests in his foreword if Bunny Lucas had received the media attention given nowadays to players he would have been a sporting super star **The Hampshire Antiquary and Naturalist** ,1891

**Glory Days of Cricket** Mote, Ashley,2015-02-02 Broadhalfpenny Down is the Mecca of cricket The Bat and Ball Inn across the road is pavilion to the whole cricket world This is the home of the legendary 18th century Hambledon Club Every cricketer wants to visit it because they know this is where cricket began Only it didn t That Broadhalfpenny Down is the birthplace of cricket is one of the most well established myths in sporting history Yet this ground still holds a unique place in the history of the game It is where a simple country pastime evolved into a national sport where the crude techniques of the first players evolved into subtler skills Between the 1750s and late 1790s Broadhalfpenny Down staged the biggest matches and fielded the most famous team playing all England 51 times and winning on 29 occasions often in front of 20 000 spectators Here for the first time since 1907 is a full account of the events of more than 200 years ago Extensively researched and compiled and updated for this 2015 ebook edition its author Ashley Mote played competitive club cricket for

more than 50 years He is a non playing member of numerous cricket clubs A former journalist scriptwriter and businessman he now writes non fiction      **Michael Falcon: Norfolk's Gentleman Cricketer** Stephen Musk,2010 Michael Falcon 1888 1976 was educated at Harrow and Cambridge and proved himself to be a good enough fast bowler to be selected fourteen times for the Gentlemen He declined to qualify by residence to play for Middlesex preferring instead to play for his beloved Norfolk in the Minor Counties Championship In this competition his exploits as a hard hitting fast bowling all rounder made him a dominant figure in Norfolk elevens Appointed captain in 1912 he was still in office in 1946 he was the only man to skipper his county before the First World War and after the Second An astute and popular leader he was worth his place in the team to the end finishing top of the batting averages in his final season when aged 58 Thought of highly enough by the authorities to be co opted on to the MCC Committee at the early age of 26 he was the only bowler of genuine pace to sit on the sub committee which ruled on bodyline He is most famous for the part he played in helping Archie MacLaren s eleven to defeat Warwick Armstrong s previously invincible 1921 tourists Informed opinion suggests that his refusal to play for Middlesex cost him the chance to play Test cricket but his loyalty to Norfolk was paramount and he never expressed any regrets As a Tory M P and a landowning grandee one might expect him to have been a somewhat remote and forbidding character but he was a quiet and modest man with a love of the game which gave him a bond with the common cricketer On one occasion he was more than ready to lead a singalong with the players of a village cricket club Stephen Musk tells a story of privilege public service and the pastime of cricket      Great Debates in Tort Law Jonathan Morgan,2022-11-17 Exploring the key discussions and arguments in tort law this book enables students to get a deeper and more rounded understanding of the subject Part of the Great Debates series it is an engaging introduction to the more advanced legal concepts such as negligent breach of duty and vicarious liability Each chapter is structured around questions and debates that provoke deeper thought It features summaries of the views of notable experts on key topics and each chapter ends with a list of further reading This book is ideal for use by ambitious students alongside a main course textbook encouraging them to think critically analyse the topic and gain new insights The development of these skills and the discursive nature of the series with an emphasis on contentious topics means the book is also useful for students when preparing their dissertations Suitable for use on courses at all levels this book helps students to excel in coursework and exams      *Fifty Years of Sport at Oxford, Cambridge and the Great Public Schools* Arthur Capel Molyneux Croome,1913      **The Boy's Own Paper** ,1922

David Sentance,2006-03-16 Cricket was played in Virginia in 1710 and was enjoyed on Georgia plantations in 1737 Teams representing New York and Philadelphia faced each other as early as 1838 By 1865 Philadelphia was considered the best cricket playing city in the United States competing against Canadian English and Australian teams from 1890 to 1920 This 30 year span was essential to the formation of America s sports identity and by its end while the sport of baseball drew increasing attention the game of cricket moved from being the game of America s aristocrats to a safe haven for America s nonwhite immigrants who were excluded from baseball because of Jim Crow laws Here the game s unique multi ethnic religious and cultural tradition in the United States is fully explored The author explains cricket s ties to the beginnings of baseball and covers the ways in which the game continues to play an important role in America s inner cities
