Hampton Roads Gateway To The New Millennium:

Visitors Harold A. Skaarup,2000-09-04 Suppose you could communicate with a visitor who was not from this place time space or even this dimension What would you want to ask them The answers probably lie in what our own response would be if we were them This book is based on a collection of interviews I have had with a few individuals who may have actually had such an experience The idea is that if enough of us are ready to ask the questions and gain the answers then our collective knowledge and understanding of the multiverse about us can only continue to be enhanced Sometimes the responses that you will read here are similar often they are diametrically opposed to each other An open but highly skeptical mind is extremely necessary if you are going to sift through the data that is presented in this book The intent is that it should peak your curiosity to learn more about visitors In this way we may be better informed and prepared and thus in some sort of coherent shape to deal with their arrival If you read this book you must be well prepared to choose for yourself what you will or will not believe

Dream Seeker Harold A. Skaarup,2002-07-29 The Dream Seeker is a collection of stories dreams and readings which touch on the Light that shines within us Those who have a strong faith and a loving heart radiate this Light and one result is others are drawn to it When you have this light there should be no questions or answers that you should fear Many of the answers to the questions in this book may surprise you Have we been here before Is it possible we have had past lives Are there others visiting us Can our future be understood Can we be shown the way ahead You will find responses to these questions based upon interviews with gifted people who believe that many things are possible We are all given incredible gifts that seem to have been significantly enhanced with recent changes that have taken place around us One must always honour such gifts or they will just as quickly be taken away It is my hope that you will find something that resonates within you in this book and that you too will choose to walk in the Light The Ports of Hampton Roads, Va ,1949 The New England Magazine ,1892 Site Selection ,2002 New England Magazine ,1892 **Transportation Equity Act for the 21st Century, as Amended by the TEA 21 Restoration Act, Together with Updated Explanatory Materials** United States,1998 **The Port of Hampton Roads, Va** United States. The Witch of Pungo Scott O. Moore,2024-05-22 The authoritative cultural history of Virginia s most famous accused witch In 1706 Grace Sherwood was ducked after her neighbors in Princess Anne County accused her of witchcraft Binding and throwing her into the Lynnhaven River they waited to see whether she would float to the top evidence of her guilt or sink proof of her innocence Incredibly she survived This bizarre spectacle became an early piece of Virginia folklore as stories about Sherwood the Witch of Pungo spread Her legend still looms large in Tidewater In 2006 Governor Tim Kaine even issued an informal pardon of Sherwood read aloud by the mayor of Virginia Beach before the annual reenactment of Sherwood s ducking This is the first book to explore Grace Sherwood s life and cultural impact in depth Anyone interested in colonial Virginia American folklore and the history and legacy of witch trials will find much to enjoy in this spellbinding book
