Hand Spinning Cotton:

Hand Spinning Cotton Olive Linder, Harry Linder, 2014-01-01 The art of cotton spinning has become more sophisticated since Harry and Olive Linder first set out to disprove the myth that cotton was more difficult to spin than any other fiber When the Linders first self published *Handspinning Cotton* in 1977 there were very few spinners spinning cotton it was an almost forgotten art *Handspinning Cotton* has been out of print since 1995 and has been sorely missed Currently there is no single spinning book devoted solely to cotton fiber and the unique techniques for spinning it The rights to the Linder s self published book has remained in their family s hands since Harry and Olive s passing As two of the Linder s first prot g s their daughters have asked us to update and republish this treasured book It is our honor and privilege to try to do justice to the spirit of these cotton gurus who started a cotton spinning revolution While cotton spinning has grown up in the past 40 years and there are many changes in how to approach cotton spinning we have striven in updating this book to keep to the original spirit of Harry and Olive Linder s teaching Their book is still a treasure and should stay intact for all future generations of cotton spinners
