Through Old Testament Eyes is a new kind of commentary series that opens the New Testament writings in greater depth to anyone committed to understanding or teaching Scripture In this inaugural volume the richness of Old Testament allusions and background in Mark clarifies puzzling passages and explains others in fresh ways The exodus motif structures Mark Mark also presents Jesus as the true temple of God in contrast to the existing temple which has been corrupted These important themes are hidden to modern eyes without the insight of an Old Testament perspective and this commentary builds on that insight to emphasize how the gospel applies to the daily lives of Christians today *DEMON NATION* Alaina M. Stoneheart,2011-11-23 During the night in the middle of the desert whirling ice crystals slammed the earth at lightning speed The crystalline spears of death pierced the ground and shattered in million pieces against the hot sand The earsplitting scream of glass breaking magnified hundreds times and ascended to maximum capacity creating a sand storm with heavy

rain and wind spinning counterclockwise in the middle of the remote region The horrible noise hovered in mid air overwhelmed the surrounding wasteland and disintegrated A sheet of red transparent mist developed and lingered a few inches above the top layer of the sand The moon a great big round luminescent sphere burned with raging force among the chaos The shocking manifestation lasted for a split second Eerie silence blanketed the earth A shiny black stone dropped from the sky and cracked open From the stone s cavity surfaced bubbling smoke with exploding electric currents The smooth flow of electricity erupted within the blinding lights and stretched outward A mysterious life awakened within the center ripped open the veil of kaleidoscope colors and entered the realm Black bones materialized on the sand Skin made of synthetic material wrapped the black bones and the process of metamorphosis initiated Once the transformation completed human giants rose from the sand to stand upon the earth
