Gaines,2008-09-17 On April 18 1775 a riot over the price of flour broke out in the French city of Dijon That night across the Atlantic Paul Revere mounted the fastest horse he could find and kicked it into a gallop So began what have been called the sister revolutions of France and America In a single thrilling narrative this book tells the story of those revolutions and shows just how deeply intertwined they actually were Their leaders George Washington and the marquis de Lafayette had a relationship every bit as complex as the long fraught history of the French American alliance Vain tough ambitious they strove to shape their characters and records into the form they wanted history to remember Book jacket *Beyond 2000* Jerry I. freedom these men fought bravely for a losing cause Many of the volunteers succumbed to battle wounds or smallpox which ran rampant on the British ships on which they were quartered After the successful Revolution they emigrated to Canada and ultimately to West Africa Liberty or Death is the inspiring story of the forgotten freedom fighters of America s Revolutionary War
