What a Man Wants, What a Woman Needs Eddie L. Long, 2002-03-31 One of the most common crises among Christians today is the failure to develop and nourish godly relationships. Sadly, there is little or no distinction between Christians and non-Christians in this area. Most homes today resemble the drive-through window at a fast-food joint with family members coming and going but with no real communication taking place. Beyond the home, the corporate church body is fragmented by members unable to agree on what are often minor issues. For those tired of conforming to the world's model for relationships, Bishop Eddie L. Long presents the biblical model. What a Man Wants, What a Woman Needs will enable you to identify the missing element in relationships that will foster better communication. Understand the key principles necessary for godly living and godly communication. Learn to identify and resist attacks from the Enemy. Understand the power of a wise woman and the roles of godly men.
