Life Goes on William Garland Rogers, 1929 **A Sober Society** Ernest Allen, 2021-06-09 For some forty years my life was consumed by the effects of drugs and alcohol abuse When life finally appeared all was gone jobs family wife and kids were gone so was my good health money my home There was no other choice but to get help for my problems Years passed before I received the help I really needed So when the time came to prepare of my new life recovery had to be taken quite seriously No more hanging out with the boozin crowd No more hanging out at the bars and nightclubs No more deception dodging the truth The story is one of hundreds thousands of stories told every day This struggle all but killed me It took the very soul of me Helping other became an obsession to prove to the drug addicts and alcoholics that life will be better only if they would make up their minds to join others to form a strong support group of individuals who have experienced the same losses but gained their common sense approach by making positive lifestyle changes and encouraging others to join in on the journey to a heavenly path to end the slavery and once and for all be able to accept freedom on its own terms This story reaches out to all who search for an end but in the past was unable to find the peace and joy they yearned for The positive is understanding why acceptance must be positive in order to give oneself the opportunity to pass on their blessings to others which is a joy in itself to behold This is meant to bless not impress to inspire the deepest desires of God s gift of love and freedom Sobriety is a freedom of expression fresh start approach to bringing misery and pain to an end **Cool, Hip & Sober** Bill Manville, 2004-10-01 In a refreshingly clear headed and informed approach to addiction noted writer and radio host Bill Manville sums up what he s learned in more than forty years of research twenty as a demon driven drunk and twenty in recovery From his popular show Addictions and Answers broadcast from KVML in Sonora California Manville has compiled a list of 88 questions and answers from as he says a ton of plain and fancy drunks and dopers and their friends and families As well he offers valuable advice and information from his guests noted psychiatrists psychologists rehab counselors MDs academics and more Here in first person detail are responses to the issues faced by alcoholics addicts and their loved ones such as How to intervene with a substance abusing friend How alcoholics can protect themselves from relapses Evaluating therapies both individual and group How alcohol affects sex Definitions of social drinker heavy drinker and alcoholic The many faces of denial Is alcoholism inherited How to choose the right rehab Is there an addictive personality What role does spirituality play in recovery A brave and transformational look at the treatment of chemical dependency Cool Hip and Sober is a captivating insightful and essential handbook for overcoming denial and achieving a peaceful long term recovery At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Glass Half Full Lucy Rocca, 2014-01-23 In April 2011 Lucy Rocca woke up in a hospital bed with no memory of how she had ended up there After accepting that her drinking had spiralled out of control she made the decision there and then to never touch alcohol again However the early days were a challenge and Lucy began recording her journey in a blog as a way

of helping herself move forward to a happy and sober future For someone who defined herself by her love of drinking for over twenty years letting go of the booze crutch was initially a challenge but over time Lucy began to realise how much happier she was living alcohol free *Glass Half Full* is the story of her journey from hopelessly devoted wine fiend to sober and truly happy for the first time in her adult life As the founder of Soberistas.com Lucy's blog also provides motivational and inspirational support for those seeking an alcohol free life

Denied Emotions Gary Gordon Milner, 2012-01-09 Denied Emotions and addictions go hand and hand Jack lost his family due to his addictions He did not know how to get in touch with his emotions to bring them out so that he could deal with them His son Tommy had to grow up without a father and suffered many hardships before he learned to get in touch with his emotions so that he could move on in life Jack's wife Sarah had to learn to raise her son by herself and she could not understand why her husband had made the wrong choices by leaving them all alone in life to fend for themselves After ten years Sarah decided to take the wall down and try to trust again Jack went through many struggles with alcohol cocaine and prescription morphine Due to alcohol a tragedy at work landed him in the hospital with broken bones and Jack still could not learn He had to go through more pain and grief before he woke up and realized that he was causing his own problems Only when he was almost arrested and thrown into jail for the possession of a narcotic with the intent to distribute did he start to think of his new daughter Shyanna what would happen to her without him in her life He already had one child that had to grow up without a father and Jack was determined to turn this around get in touch with his emotions and be there for her Many addicts who cannot get in touch with their emotions will never have that burning desire to heal and move on To lose the love of your family because you choose to make the wrong choices in life is the most painful part of life that I had ever suffered Three years ago I finally made the right choices in life so that I too could move on
